in this updated edition of the successful public relations handbook a detailed introduction to the theories and practices of the public relations industry is given broad in scope it traces the history and development of public relations explores ethical issues which affect the industry examines its relationships with politics lobbying organisations and journalism assesses its professionalism and regulation and advises on training and entry into the profession it includes interviews with press officers and pr agents about their working practices case studies examples press releases and illustrations from a range of campaigns including railtrack marks and spencer guinness and the metropolitan police specialist chapters on financial public relations global pr business ethics on line promotion and the challenges of new technology over twenty illustrations from recent pr campaigns in this revised and updated practical text alison theaker successfully combines theoretical and organisational frameworks for studying public relations with examples of how the industry works in practice

introduction to public relations strategic digital and socially responsible communication presents a comprehensive introduction to the field of public relations pr with a focus on new media and social responsibility recognizing that the shifts in technology business and culture require a fresh approach authors janis teruggi page and lawrence j parnell show students how today s pr professionals create persuasive messages with modern technologies while working in line with the industry s foundations the authors balance this approach with a focus on understanding communication theory history process and practice and how all these concepts can be applied to strategic pr planning the second edition features new and refreshed content throughout including cases chapter opening scenarios and profiles of both young and senior practitioners with tips and career guidance for student success included with this title the password protected instructor resource site formally known as sage edge offers access to all text specific resources including a test bank and editable chapter specific powerpoint slides

as a formal occupation public relations grew primarily in the united states through much of the twentieth century in recent years however it has spread rapidly throughout the world broad outlines on how public relations practices differ from country to country have only recently begun to take shape in scholarly writing about the field the existing literature on international public relations tends to focus on how those working for western organizations particularly multi national corporations can best practice abroad although useful such writings tend to focus on adaptation of western approaches not on development of new ones designed specifically for varied sociocultural settings around the world the editors have produced this book for a number of reasons there has been tremendous growth in the teaching of public relations around the world enhancing practice in many countries outside north america there has also been rapid growth in the number of professors who demand theoretical perspectives which might facilitate a unified comparative analysis across countries and regions only a few u s universities six documented in this book now teach courses formerly called international public relations however many professors are going abroad to teach and do research this suggests increased interest in and a need for courses dealing with international public relations furthermore there is a dearth of literature dealing in depth with international pr an important component of international communication this appears to be the first book length comparative analysis of public relations as practiced in various countries and regions around the world although existing books on international pr focus largely on ways in which western practitioners employers and clients can operate effectively in other countries this volume views public relations in each country or region covered from the perspective of practitioners in that country it contains six chapters designed to provide a theoretical anchor for the 14 country and region analyses given the intense interest in public relations education as a factor in professional enhancement it also discusses issues and practices relating to education

the practice of public relations third edition is a compendium of articles written by professional and expert practitioners in the field of public relations the book serves as an introduction to the practice of public relations and as a guide to students of communication advertising and marketing the collection covers a wide range of topics such as the planning and execution of a public relations campaign the types of media used and the timing and handling of material the different settings where public relations are applied

examples are industrial companies government and marketing firms the law and ethics of public relations and how to build a successful career in public relations marketing advertising and communications professionals and students will find the book very useful

this text presents the history and development of public relations an introduction to communication theory persuasion and research methods as well as an overview of practical topics

prepares students to practice public relations effectively and ethically in today s global society this condensed version of the best selling public relations strategies and tactics retains the same features

fundamentals of public relations professional guidelines concepts and integrations second edition focuses on the basic theories and principles involved in the practice of public relations and describes how public relations functions in adapting an organization to its social political and economic environment practical guidelines for implementing public relations activities are given this book is comprised of 30 chapters and begins with an assessment of the nature of public relations including its function and its ecological concept historical highlights in the field of public relations are also presented subsequent chapters explore five dialogues that emphasize critical problems affecting the practice of public relations the first covers the role of the chief executive officer in public relations the second deals with corporate social responsibility the third shows the attitudes of labor on the question of jobs versus the environment the fourth reports on problems of protecting the environment and the fifth takes a searching look at the energy crisis this monograph is designed to serve as a basic text for students of public relations and those who are in need of a refresher or even an introduction to the subject of public relations
