a part of harper perennial s special resistance library highlighting classic works that illuminate the age of trump soren kierkegaard s stunningly prescient essay on the dangers of mass media particularly advertising marketing and publicity an essential read as we reckon with and try to understand the media forces that have helped create our present political moment

the present age shows just how original kierkegaard was he brilliantly foresaw the dangers of the lack of commitment and responsibility in the public sphere when everything is up for endless detached critical comment as on blogs and cable news action finally becomes impossible hubert l dreyfus university of california berkeley a revolutionary age is an age of action ours is the age of advertisement and publicity nothing ever happens but there is immediate publicity everywhere from the present age in the present age 1846 søren kierkegaard analyzes the philosophical implications of a society dominated by the mass media what makes the essay so remarkable is the way it seems to speak directly to our time i e the information age where life is dominated by mere information not true knowledge kierkegaard even goes so far as to say that advertising and publicity almost immediately co opts and suppresses revolutionary actions thoughts the present age is essential reading for anyone who wishes to better understand the modern world

this book examines the problem of theodicy arising from the fall of jerusalem 587 b c e in the book of jeremiah it explores the ways in which the authors of the book of jeremiah tried to explain away their god s responsibility while clinging to the idea of divine mastery over human affairs in order to trace the development of a particular book s understanding of god s role in meting out punishments this book analyzes all the passages containing the word pivotal □□□□ to provoke to anger in deuteronomistic history and the book of jeremiah

reprint of the original first published in 1843 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

nobel prize winner twenty three political essays that focus on the victims of history from the fallen maquis of the french resistance to the casualties of the cold war in the speech he gave upon accepting the nobel prize for literature in 1957 albert camus said that a writer cannot serve today those who make history he must serve those who are subject to it resistance rebellion and death displays camus rigorous moral intelligence addressing issues that range from colonial warfare in algeria to the social cancer of capital punishment but this stirring book is above all a reflection on the problem of freedom and as such belongs in the same tradition as the works that gave camus his reputation as the conscience of our century the stranger the rebel and the myth of sisyphus

modern man has a problem with knowledge he cannot accept god's word about the world or anything else so anything which points to god must be called into question man once he makes himself ultimate is unable to know anything but himself because of this impasse modern thinking has become progressively pragmatic this book will lead the reader to understand that this problem of knowledge underlies the isolation and self torment of modern man can you know anything if you reject god and his revelation this book takes the reader into the heart of modern man's intellectual dilemma

the present volume professes to give the history of china in a form that is new to the english reader it is not a compilation gathered from all kinds of sources but a reproduction from the original of the standard history of china that work and the writings of confucius and mencius are the only authentic sources from whence the story of the empire can possibly be obtained many writers during the long ages of the past have written the history of their times but they are unreliable and valuable only in so far as they agree with the accounts contained in the above standard work preface
