with the construction boom reaching over 300 billion by the early 1990s in the united states alone this comprehensive and accessible guide is more important than ever for the budget minded contractor presenting quick engineering know how for the performance and satisfactory completion of construction using commonly recognized equipment it deals with the physical concepts of the work the surrounding conditions and equipment requirements with an emphasis on controls governing the equipment s performance

in the preface to this impressive and well produced book the editors state that their aim is not to

describe a new surgical specialty since most surgeons will soon need to be geriatric surgeons but to assemble a comprehensive account that will allow all providers of healthcare to the elderly to understand the issues involved in choosing surgery as a treatment option for their patients this is a useful book that deserves to do well i hope that the editors and their publisher will have the stamina to make this the first of several editions as it is clear that updated information about surgery in the elderly will be required to keep pace with this important field
nejm book review

the most comprehensive catalog of books written by baden powell with additional research into minor material printed by the author

since the best selling first edition the scott foresman handbook has proven again and again that a comprehensive handbook can be easy practical even fun to use each new edition has provided complete up to date material on writing processes argumentation style grammar mechanics and punctuation in friendly and accessible language yet new ground has been broken as the authors have anticipated new developments in writing influenced by new theories and new technologies earlier editions have led the field in addressing civic literacy visual literacy online research service learning and other emerging trends as a result of this forward looking philosophy writers using the scott foresman handbook know what college writing means today and what writers will need to know tomorrow
