praise for the fifth edition of the responsible administrator cooper s fifth edition is the definitive text for students and practitioners who want to have a successful administrative career moral reasoning as cooper so adeptly points out is essential in today s rapidly changing and complex global environment donald c menzel president american society for public administration and professor emeritus public administration northern illinois university the responsible administrator is at once the most sophisticated and the most practical book available on public sector ethics it is conceptually clear and jargon free which is extraordinary among books on administrative ethics h george frederickson stone distinguished professor of public administration university of kansas remarkably effective in linking the science of what should be done with a prescriptive for how to actually do it the fifth edition of cooper s book keeps pace with the dynamic changes in the field both for those who study it and those who practice it the information presented in these pages can be found nowhere else and it is information we cannot ethically afford to ignore carole l jurkiewicz john w dupuy endowed professor and woman s hospital distinguished professor of healthcare management louisiana state university

e j ourso college of business administration public administration institute

in this synthesis of political philosophy public administration and american history rohr seeks to legitimize the administrative state in terms of constitutional principle he tries to show that the fourth or administrative branch of government is compatible with the plans of the framers both federalist and anti federalist of the u s constitution and of the bill of rights he argues that the combination of powers in administrative agencies does not violate the standard of separation of powers set forth in the federalist especially by james madison the higher reaches of the career civil service fulfill the framers constitutional design by performing a balancing function originally assigned to the senate and the career civil service en masse heals the defect of inadequate representation in the federal constitution isbn 0 7006 0291 7 29 95

these two volumes featuring practice proven direction on 48 areas of nursing management and nearly 500 ready to use guidelines checklists and forms this comprehensive compendium is a bedrock of current practical tools guaranteed to make you a more skilled confident and decisive manager these materials help you solve personnel problems increase productivity contain nursing costs improve staff retention set up career ladders avoid the pitfalls of budgeting and much more

this book provides practical insights to help lawyers and their public sector clients choose the most ethical course of conduct the compilation of essays articles and research provides a clear and concise overview of many of the complexities of public sector ethics including post employment restrictions on government employees whistle blowing pro bono work regulation of honoraria royalties and travel reimbursements financial disclosure filing requirements gift giving conflicts of interest and issues in enforcement of local ethics law

since it was first published in 1991 the ethics challenge in public service has become a classic text used by public managers and in public management programs across the country this second edition is filled with practical tools and techniques for making ethical choices in the ambiguous pressured world of public service it explores the day to day ethical dilemmas managers face in their work including what to do when rules recommend one action and compassion another and whether it is ethical to dissent from agency policy this essential text explores managers accountability to different stakeholders and how to balance the often competing responsibilities praise for the ethics challenge in public service if you have ethics responsibilities in the public sector you must read this book for its text and compilation of resource materials the honorable stephen d potts chairman of the board of directors of the ethics resource center and former director the u s office of government ethics this book is three things the best available synthesis of ethics in public affairs a first rate theoretical consideration of ethics and a wonderfully applied useful and practical guide carol lewis and stuart gilman are two giants in the field and this book lives up to their stature h george frederickson edwin o stene distinguished professor of public administration policy research institute the university of kansas the ethics challenge in public service is a necessary tool for public administrators and students alike in this era of fiscal challenges heightened citizen expectations of government accountability and public scrutiny providing both theoretical frameworks and practical applications for ethical decision making carol lewis s book is a must have for any public sector professional s reference shelf without regard to

sector or specialty ann m hess j d m p a president massachusetts chapter american society for public administration and staff director boston city council having used the ethics challenge in public service in my graduate course for years it was good news that carol lewis and stuart gilman have prepared a second edition incorporating updated material and new treatments of international developments and of ethics in the nonprofit sector this book remains simply indispensable for teaching public service ethics guy b adams professor harry s truman school of public affairs university of missouri columbia the ethics challenge in public service draws the reader into the pervasive ethical dimension of public service lively timely well crafted cases in every chapter engage both reason and moral imagination this is an ideal text for professional ethics courses practicing administrators will recognize the ethical conflicts and dilemmas and learn effective strategies for working through them it also includes an extensive chronology of public service ethics a useful resource in itself b l catron professor emeritus of public administration george washington university the authors deep commitment to public service and empathetic understanding of the complexities and ethical dilemmas faced by public service practitioners are reflected in this book s title and in its thoughtful balancing of idealism and realism so that lewis and gilman offer moral direction without resorting to simplistic rote prescription for belief or behavior jonathan b justice school of urban affairs and public policy university of delaware

table of contents

from integration to integrity examines the european commission s administrative ethics in the events leading up to the resignation of the college of commissioners in march 1999 and the subsequent administrative reform led by commissioner neil kinnock from 1999 2004 insights from the field of administrative ethics are applied to the commission s response to accusations of an ethics problem within its organization adding a new perspective to existing research on the eu institutions until now there has been no study of the european institutions themselves to question the validity of these claims or to explore the extent to which the european commission has responded to problems this is the first book to examine how the european commission has addressed concerns about its ethical standards since 1999
