this book of collected essays by laurence whitehead an eminent scholar of latin america explores the structures and influences that bind together the region shedding light on this vast and rapidly changing culture zone

latin america in the modern world is the first text to situate the history of latin america within a wider global narrative written by leading scholars the book focuses on five themes state formation the construction of national identity through popular culture and religion economics and commodities race class and gender and the environment emphasizing the distinct experiences of each of the latin american countries the book provides students with an entry point into understanding this vital region instead of suggesting that all latin american nations have an interchangeable heritage the authors seek to clearly identify themes topics people and intellectual currents that help to knit the history of modern latin america into a coherent category of study while providing in depth coverage of the history of the three largest latin american countries mexico brazil and argentina latin america in the modern world also offers case studies from almost all of the countries including central american and andean nations

when things go wrong in life and relationships and with stunning frequency they do you will connect with this simple yet highly effective inspirational approach to solving problems no matter what the issue marriage finances bad choices fear anxiety emotional hurt obsessions addictions weight issues and more from the bestselling author of boundaries this quick read book now what do i do will help you tap into the power of seven key principles that will help you solve everything from crises that explode without warning to chronic issues that have lingered for years solving problems isn't instantaneous but it still can be miraculous

the handbook of latin america in the world explains how the latin american countries have both reacted and contributed to changing international dynamics over the last 30 years it provides a comprehensive picture of latin america's global engagement by looking at specific processes and issues that link governments and other actors social and economic within the region and beyond leading scholars offer an up to date state of the field theoretically and empirically thus avoiding a narrow descriptive approach the handbook includes a section on theoretical approaches that analyze latin america's place in the international political and economic system and its foreign policy making other sections focus on the main countries actors and issues in latin america's international relations in so doing the book sheds light on the complexity of the international relations of selected countries and on their efforts to act multilaterally the routledge handbook of latin america in the world is a must have reference for academics researchers and students in the fields of latin american politics international relations and area specialists of all regions of the world

in this compelling text authors mark a burkholder lyman l johnson and monica a rankin tell the story of more than 500 years of latin american history through the themes of exploitation inequality and resistance balancing an examination of different forms of exploitation with discussions of active and passive resistance exploitation inequality and resistance emphasizes these themes and analyzes the ways in which events throughout latin america's history continue to resonate today

an engaging introduction to latin america with a fresh thematic approach to key political and social issues this accessible undergraduate textbook examines the entirety of the region addressing complex issues in a clear and direct manner grounded in cutting edge research and data concepts are illustrated through tables maps and timelines

based on the work of twenty renowned experts from the region this ground breaking book traces the new face of latin america using clear straightforward language that is accessible to a general audience the current panorama in the region creates new opportunities and dangers for social cohesion in democracy and a revitalized critical approach is needed to arrive at a global interpretation of the social dynamics in latin america

dr brotherston surveys the modern novel of spanish speaking america he starts with an introduction on settings and people going on to consider individual modern novels

latin american societies were created as pre industrial colonies that is peoples whose cultures and racial makeup were largely determined by having been conquered by spain or portugal in all these societies a colonial heritage created political and social attitudes that were not conducive to the construction of democratic civil societies and yet latin america

has a public life not merely governments but citizens who are actively involved in trying to improve the lives and welfare of their populations monteón focuses on the relation of people's lifestyles to the evolving pattern of power relations in the region much more than a basic description of how people lived this book melds social history politics and economics into one creating a full picture of latin american life there are two poles or markers in the narrative about people's lives the cities and the countryside cities have usually been the political and cultural centers of life from the conquest to the present monteón concentrates on cities in each chronological period allowing the narrative to explain the change from a religiously centered life to the secular customs of today from an urban form organized about a central plaza and based on walking to one dominated by the automobile and its traffic each chapter relates the connections between the city and its countryside and explains the realities of rural life also discussed are customs diets games and sports courting and marriage and how people work

this book addresses problems and puzzles associated with identifying international norms and the influence of these norms on the behavior of different states in international relations in a regional context arie m kacowicz's research traces several international norms of peace and security and examines their impact in latin america between 1881 and 2001 he offers an original synthesis of positivist and constructivist approaches and links international relations international law international ethics and latin american diplomatic history kacowicz's primary argument is that a body of international norms of peace and security can be considered an independent and dynamic factor that affects the quality of international society generally and also plays a significant role in regional contexts in developing his argument he analyzes the origin of international norms the impact of norms on the domestic and foreign behavior of states and the conditions under which regional norms affect the political behavior of states the book contains eleven empirical case studies of the ways that international norms have affected the actions of latin american states ranging from the neutralization of the magellan straits in 1881 to the recent incorporation of argentina chile and brazil into the tlalotelco regime of a nuclear weapons free zone in 1994 and the nuclear cooperation between argentina and brazil beginning in the late 1990s these case studies include stories of success through peaceful resolutions of conflict between states of failure and mixtures of both scholars and students of international relations and latin america will find this book to be both a valuable analysis of international norms and a compelling diplomatic history

this completely revised and updated text focuses on u s relations with latin america from the advent of the new diplomacy late in the nineteenth century to the present providing a balanced perspective it presents both the u s view that the western hemisphere needed to unite under a common democratic capitalistic society and latin american countries response to u s attempts to impose these goals on its southern neighbors the authors examine the reciprocal interactions between the two regions each with distinctive purposes outlooks interests and cultures they also place u s latin american relations within the larger global political and economic context
