a fortieth anniversary tribute to the first woodstock festival written by its co creator describes the historical three day performance in an account that features rare photographs and recollections by artists who appeared at the event

during the mid 1950s when hollywood found itself struggling to compete within an expanding entertainment media landscape certain producers and studios saw an opportunity in making films that showcased performances by rock n roll stars rock stars eventually found cinema to be a useful space to extend their creative practices and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties indeed casting rock stars for film provided a tool for bridging new relationships across media industries and practices from elvis presley to madonna this book examines the casting rock stars in films in so doing rock star movie star offers a new perspective on the role of stardom within the convergence of media industries while hardly the first popular music culture to see its stars making the transition to screen the timing of rock s emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change at the same time a post star system film industry provided a welcoming context for rock stars who have valued authenticity creative autonomy and personal expression this book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new ideal media laborers whose power lies in the fact that they are rarely recognized as such combining star studies with media industry studies this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries it demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used

the definitive biography of the 1960s music legend covers her trailblazing life from troubled childhood to iconic stardom to her tragically early death a wild child of the texas louisiana swamps janis joplin wailed the blues like no one before had ever dared she was the first rock star of the 1960s counterculture a fashion trendsetter in san francisco s back to the roots movement that overtook the world and a prisoner of an ultimately doomed search for happiness in sex drugs money and fame but to those who knew and loved her intimately she was pearl acclaimed music biographer ellis amburn reveals the true life story of this immortal legend from her backwater texas childhood where classmates punished her for her individuality amburn charts her unlikely rise to stardom and affairs with fellow music legends including jim morrison kris kristofferson and jimi hendrix amburn also chronicles her losing battles with addiction insecurity and other forces that drove her through a short impulsive life to death by overdose at the age of twenty seven

since the emergence of rock n roll in the early 1950s there have been a number of live musical performances that were not only memorable in themselves but became hugely influential in the way they shaped the subsequent trajectory and development of popular music each in its own way introduced new styles confronted existing practices shifted accepted definitions and provided templates for others to follow performance and popular music explores these processes by focusing on some of the specific occasions when such transformations occurred an international array of scholars reveal that it is through the often disruptive dynamics of performance and the interaction between performer and audience that patterns of musical change and innovation can best be recognised through multi disciplinary analyses which consider the history place and time of each event the performances are located within their social and professional contexts and their immediate and long term musical consequences considered from the beatles and bob dylan to michael jackson and madonna from woodstock and monterey to altamont and live aid this book provides an indispensable assessment of the importance of live performance in the practice of popular music and an essential guide to some of the key moments in its history

collection of the five hundred films that have been selected to date for preservation by the national film preservation board and are thereby listed in the national film registry
