a documented account of the crisis among adventists over the doctrine of justification by faith

from its humble beginnings in the nineteenth century seventh day adventism has remarkably grown to become one of america s largest home grown faiths numbering nearly nineteen million members worldwide yet adventism harbors dark secrets within its history this is the true story of how one adventist pastor and university and seminary professor discovered these dark secrets and learned through painful personal experience that neither the denomination nor its doctrine could be trusted as his odyssey takes him from pastoral assignments in rural and urban congregations and finally into teaching religion at an adventist university he suddenly finds himself caught up in the maelstrom of a church s greatest theological crisis for him the denomination s theology and practice agonizingly unravel forcing him to choose between loyalty to his church his vocation and his personal integrity rich in anecdotes and personal experiences out of adventism guides readers interested in religious history cults and sects through the ins and outs of a religious community in crisis along the way the reader not only gets an insider s view of adventism but also discovers a careful critique of the peculiar teachings of seventh day adventism

this book is a journey book sitting down at a computer and producing the story has been a grand trek i have learned that there is a principle in nature that some things need to mellow calm down and soak in the refusal of winemakers to take a wine before its time is a notion i am coming to understand it works with writers as well like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time in my education i have read of the battles of great church leaders who were eventually thrown out of their churches in my denominational education i was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones we were to be critical of everything except our organization i submit that there is danger in that this book will cover incidents from the first forty years of my life as a religious addict you may find something here that you can identify with

like a skilled surgeon eric c webster has laid bare the very heart of adventism in his work crosscurrents in adventist christology the first chapter gives an illuminating historical perspective while in the next four chapters webster dissects the christologies of ellen g white and e j waggoner of the 19th and edward heppenstall and herbert douglass of the 20th centuries the final chapter seeks to reflect on the flow and
