an evaluation of the contribution made by michael collins to the making of the irish state a series of specially commissioned essays written by some of ireland s leading historians academic and popular on the contribution made by michael collins to the making of the irish state this is a professional evaluation of michael collins which brings to light his multi faceted and complex character the

contributors examine collins as minister for finance his role in intelligence his policy towards the north his career as commander in chief the origins of the civil war his relationship w

in this book francis costello allows michael collins to speak in his own words he traces collins career from his schooldays to his tragic death at the age of 31 through a series of edited extracts from collins writings speeches letters and memoranda

a short biography for young readers of michael collins a central figure in the fight for irish freedom

why were both sides of the civil war divide so evasive when it came to the death of michael collins why were they still trying to effect cover ups as late as the 1960s determined to find the truth despite the trails of deception left by many of the key players gerard murphy a scientist looked in detail at the evidence previous researchers have tended to concentrate on the reminiscences of survivors murphy instead focuses on information that appeared in the immediate wake of the ambush before attempts could be made to conceal the truth he also examines newly released material and has carried out a forensic analysis of the ambush site based on photographic evidence of the aftermath recently discovered in a dublin attic these investigations have unearthed significant new evidence overlooked for almost a century that seriously questions the version of events currently accepted by historians

this is a unique collection of photographs that catalogue the life of michael collins the photos follow collins from his childhood and into the political turbulence of the era the book includes many illustrations of the buildings and locations he would have known in ireland and britain but as they are today

discover michael collins himself a revealing book that goes beyond the famed soldier and statesman persona take a closer look at the man behind the myth and dive deep into collins personal world highlighting the pivotal role of women in his life his interests and his personal anecdotes featuring exclusive family memories and rare photographs of collins throughout his life and those connected to him a must read for those seeking an intimate look at the legendary figure

when the irish nationalist michael collins signed the anglo irish treaty in december 1921 he observed to lord birkenhead that he may have signed his own death warrant in august 1922 that prophecy came true when collins was ambushed shot and killed by a compatriot but his vision and legacy lived on tim pat coogan s biography presents the life of a man whose idealistic vigor and determination were matched by his political realism and organizational abilities this is the classic biography of the man who created modern ireland

in these essays and speeches michael collins spelled out his vision for the future of ireland as well as his analysis of its past some of them are written in the anguish of a civil war which he struggled so hard to avoid and in which he saw his country torn apart while seeking to establish and defend democracy liberty and stability michael collins overall vision is still inspiring he sees the necessity for open trade with overseas markets for investment and management and for putting the national economy on a sound footing as a priority

the life of michael collins who fought for irish independence destroyed the british intelligence system in ireland effectively drafted the constitution of the irish free state and founded the irish army becoming its first commander in chief jacket

michael collins had many roles in his short lifetime he fought in the 1916 easter rising he was commander in chief of the irish army minister for finance leader of a network of spies battling against the british forces and a chief negotiator in the anglo irish treaty he was killed in 1922 in an ambush at béal na bláth at the age of 31 his death robbed ireland of one of its finest leaders admired by many and feared by his enemies this is the story of michael collins the big fellow

to michael collins the signing of the treaty between ireland and britain in 1921 was a stepping stone eamon de valera called it treason the controversy surrounding the treaty which led to the civil war of 1922 1923 is examined in this compelling study of the controversy surrounding the infamous negotiations

this is the biography of michael collins 1890 1922 who fought in the easter rising in dublin and quickly rose to prominence among ireland s new revolutionary leaders as director of organisation and intelligence during the war of independence he evoked the passionate loyalty of his friends and the hateful fear of his british opponents he did however play a vital part in the anglo irish negotiations of 1921 and resolutely defended the treaty an inspired commander in chief of the new irish government s forces he was shot dead at the age of 32 in an ambush at the height of the civil war which followed the treaty his colourful personality as well as his controversial career left a permanent mark on the history of independent ireland of which in spite of his premature death he is regarded as a founding father

few leaders in history have been as mythologized as michael collins before his death at 31 he had fought in the easter rising organized the ira and out spied british intelligence negotiated the anglo irish treaty and run the first independent government in ireland peter hart s groundbreaking biography restores humanity to this mythical figure drawing on previously unknown sources delving into collins s pre revolutionary past and assessing the methods and the costs of his rise to power mick reveals a man of often ruthless ambition more politician than soldier whose friendships went no farther than his interests a work as thrilling as it is authoritative

in print continuously for more than thirty years this book is long established as a reliable and affectionate portrait of michael collins first published in 1971 its great strength is that the author was able to interview collins surviving contemporaries and was offered unrestricted access to personal and family material michael collins the lost leader has been praised by authorities such as robert kee and maurice manning and remains compulsive reading even today

in 1916 a young man named michael collins returned to his native ireland after ten years in voluntary exile in london to join one of the most impassioned and complicated revolutions in history playfully nicknamed the big fellow collins began to take a key role in the uprisings eventually becoming a revered revolutionary leader acclaimed writer frank o connor a man who himself fought in the irish civil war traces collin s life from the day he returned to dublin to the day a young irish soldier shot him dead on a country road from

amazon com

it was the most providential escape yet it will probably have the effect of making them think that i am even more mysterious than they believe me to be and that is saying a good deal michael collins knew the power of his persona and capitalised on what people wanted to believe the image we have of him comes filtered through a sensational lens exaggerated out of all proportion we see what we have come to expect the man who won the war the centre of a web of intelligence that brought the british empire to its knees he comes to us as a mixture of truth and lies propaganda and misunderstanding the willingness to see him as the sum of the irish revolution and in turn reduce him to a caricature of his many parts clouds our view of both the man and the revolution drawing on archives in ireland britain and the united states the authors question our traditional assumptions about collins was he the man of his age or was he just luckier more brazen more written about and more photographed than the rest despite the pictures of him in uniform during the last weeks of his life collins saw very little of the actual fight he was chiefly an organiser and a strategist should we remember him as a master of the mundane rather than the romantic figure of the blockbuster film the eight thematic highly illustrated chapters scrutinise different aspects of collins life origins work war politics celebrity beliefs death and afterlives approaching him through the eyes of contemporaries and historians friends and enemies this provocative book reveals new insights challenging what we think we know about him and in turn what we think we know about the irish revolution
