continuing the story from love comes softly the granddaughter of the davis s experiences a tragedy she has a crisis of faith

separation and divorce have become an inevitable factor in american society even those of us who have not experienced these events di rectly have been touched by them through association with parents friends neighbors or co workers frequently we have observed these individuals express a variety of negative emotions including insecurity anxiety depression fear and anger if children are involved their par ents decisions and often dysfunctional maneuvers in this matter will most likely have a profound affect on them one such decision will be with whom they will live although the great majority of children will live with their mothers following a divorce this arrangement is no longer accepted as inevitable changes such as an ever increasing num ber of mothers with full time out of home employment and research supporting the significance and competence of fathers in child rearing have led many observers to challenge the assumption of maternal supe riority these changes as well as those related to the law and child cus tody for example the increased acceptability of a joint custody arrange ment have complicated the process of deciding where a child should live after his or her parents divorce consequently others are fre quently called upon to assist in the decision making and render an opin ion concerning custody and visitation by and large these individuals will be members of the mental health profession

there is one proven method for happier kids more involved dads and less stressed out moms after divorce 50 50 custody it s hard for everyone when parents split up but the end of living together doesn t need to mean the end of a functional family part of the reason divorces are so traumatic for the kids involved is because of our child custody system which truly sets everyone up for failure throughout the country the default arrangement is for mom to get majority time with the kids and most of the responsibility of caring for them for dad to become an occasional visitor and perhaps saddled with massive child support payments and for the kids to lose the stability structure and confidence of knowing they have two equally committed loving parents but it doesn t have to be this way in the 50 50 solution creator of the wealthy single mommy community emma johnson showcases the robust research proving that in the vast majority of cases equal timesharing is the best outcome for everyone in a family where the adults no longer live together the 50 50 solution will show you that equal parenting time leads to better physical emotional and mental health for children of divorce higher career earnings for single mothers fathers who are more engaged and whose rights as parents are preserved far less parental and legal conflict a progressive forward thinking cultural norm that promotes gender and racial equality for all families regardless of their configuration a few states have already adopted 50 50 custody as the default arrangement and several more are poised to follow equal parenting time is the custody framework of the future and the 50 50 solution shows readers how it helps our families and communities thrive

focusing on children who are subject to welfare intervention protecting children addresses the challenges and issues of the child welfare system and provides foundational knowledge on the theoretical and practical aspects of the field this edited collection begins with a review of key concepts including child development attachment and resilience theories social policies family law and ethics highlighting the translation of theory into practice the contributors discuss current services and the search for best practice internationally as well as explore indigenous child welfare and offer conclusions and recommendations to promote positive outcomes for children and families involved in the system scholars researchers and practitioners from across the globe provide insight on a wide range of timely issues such as the risk of reductionism limits to predictability pragmatic issues as well as the disproportional presence in the care system of minority groups including indigenous children children of new immigrants and refugees children in lgbtq communities and children of the poor this foundational volume is an important resource for courses in social work and child welfare features includes contributions from researchers practitioners and scholars from australia canada new zealand the united kingdom and the united states highlights indigenous authors and personal stories of service users and includes figures and tables throughout the text as well as section introductions and conclusions to situate main theories and concepts for students
