the first comprehensive study of the leading american avant garde theatre director  
robert wilson

robert wilson's diaries and account books chronicle his daily chores agricultural plantings weather and household accounts

robert wilson is an american european director who is also a performer installation artist writer designer of light and much more besides a crossover polymath who dissolves both generic and geographical boundaries and is a precursor of

globalisation in the arts this second edition of robert wilson combines an analysis of his main productions situated in their american and european socio cultural and political contexts a focused detailed study of wilson s pathbreaking einstein on the beach a study of pushkin s fairy tales as the foremost example of his folk rock music theatre in the twenty first century an exploration of his visual book workshop and rehearsal methods and collaborative procedures a study of his aesthetic principles and the elements of composition that distinguish his directorial approach a series of practical exercises for students and practitioners highlighting wilson s technique as a first step towards critical understanding and as an initial exploration before going on to further primary research routledge performance practitioners offer unbeatable value for today s student

stage director robert wilson has devoted himself to the integration of elements from a range of creative fields into the realm of theater light and movement have played an especially central role in his productions not only as compositional elements but as symbolic features in this publication his wildly creative discipline crossing oeuvre is approached through a framework of five suggestive sections the deaf man s gaze the automaton s freedom what marlene dietrich knew the prisms of silence and the theater in infinite space

robert w wilson is the greatest investor of all time on the only criterion that counts percentage return on capital what you make with what you have what you started out with wilson would be the first to point out that there are investors richer than himself but on a percentage return basis he is unmatched and untouched he received 15 000 from his mother in 1958 and he ran this stake to the fabulous sum of 230 million by 1986 with assistance he himself sought out he then nearly quadrupled his net worth to 800 million by the year 2000 this return after taxes no less is more than 50 000 to one more than 5 000 000 percent wilson did it in about forty years without partners how how possibly this book killing the market tries to find or at least get close to an answer robert wilson quit the investing business in 1986 because he had lost his touch as he said the most productive of men the hardest working of men he started to move into philanthropy eventually he became just about the most important philanthropist in the united states of the 800 million he accumulated he had given away fully 700 million of it at the time of his death in 2013 by his own hand movingly robert wilson s gifts were never to things that

entertained him or to pet projects they were always to charities trying very hard to make the world a better place for everybody
