back cover in this work john granger cook argues that there is no fundamental difference between paul s conception of the resurrection body and that of the gospels and the resurrection and translation stories of antiquity help explain the willingness of mediterranean people to accept the gospel of a risen savior

hermann l strack and paul billerbeck s commentary on the new testament from the talmud and midrash originally published between 1922 and 1928 is an important reference work on understanding the new testament in light of contemporary jewish thought originally published as kommentar zum neuen testament aus talmud und midrasch it has been unavailable in english until now this first ever english translation brings the work to a new audience the commentary walks through each new testament book verse by verse referencing passages from the midrash and the talmud and showing their relevance for situating the bible in its cultural background while much research has been done on second temple judaism since this work nothing has

come close to replacing it this is truly an essential resource for academics students and pastors

is the bible true offers a lively down to earth look at the origins and nature of the bible minister david ord and biblical historian robert coote address many of the questions raised when ordinary lay readers come face to face with dilemmas posed by modern biblical scholarship part i begins with the question of how the bible should be read is the bible true traces the experience of a person who has grown up reading the bible literally but who on closer inspection discovers that literally is not nearly literal enough the study of scripture that ensues leads to a new approach to reading the bible and uncovering its meaning for today part ii asks how the bible came to be who began the writing process and when how were the books collected into the form we know now exactly what kind of book is the bible part iii shows how understanding the history and reality of the bible can make reading it a more meaningful experience especially in sorting out the difficult issues that confront us every day is the bible true succeeds in showing how a more sophisticated understanding of the scriptures can enhance rather than undermine faith it is required reading for everyone who reads and studies the bible

just as christ was raised from the dead on the third day a powerful supernatural event is about to occur on the earth from an obscure old testament prophecy comes the shocking prediction of an explosion of heavenly power that will bring healing and revival in a time period identified as the third day dr donald a moss takes you on a whirlwind journey into the realm of prophetic revelation to witness the coming in of an exciting new spiritual order on the earth you ll discover the proceeding word of god why modern day apostles will soon appear why celebrity ministries will fade away how 3 terrible enemies will soon arise from within the modern church you ll be given a psychospiritual profile of each enemy that will pinpoint who they are what is about to happen in the coming worldwide economic crisis and why it will actually aid the revival of the third day how a new order of unity will bring people of all races and backgrounds together how you can live a supernatural lifestyle in the coming days the third day presents intelligent evidence that a divine flashpoint is drawing near from the biblical perspective a day is as a thousand years two thousand years or two days of grace have elapsed since the death and resurrection of jesus the third day or the third one thousand year period from the time of christ will be a time of finishing grace when the spirit of the lord is poured out upon all flesh it will be as the lightning comes out of the east and shines into the west to prepare believers for the coming of christ in the clouds the modern church must shake the dust of its former understandings and acknowledge this awesome possibility dr donald a moss

i the third day bible code i examines a third day motif that occurs in some of the most important events in the history of israel recorded in the bible whether one agrees with the author s sensational thesis about the timing of christ s return this book will serve as a strong apologetic for jesus resurrection and strengthen christians in their faith
