the authors trace the evolution of costa rican culture and institutions from pre columbian times through the late 1990s particularly concerned with the change wrought by the economic crisis of the 1980s they base their portrayal on interviews with costa ricans observations of many facets from coffee plantation work to the deliberations of the legislature and readings of journalists essayists poets historians and others annotation copyrighted by book news inc portland or

discusses costa rican traditions culture religion politico social reforms the media literature and art

costa rica now is an all in one travel guide to living and owning in paradise it is really three books in one designed to help its readers find the area that suits them best understand the costa rican culture and provide information gained from firsthand experience about buying and owning property in costa rica this comprehensive travel guide includes an introduction detailing why so many are moving to and investing in costa rica next is the unique trademarked wabia livability index that familiarizes you quickly with the countrys main regions wabia is an acronym for weather access beauty infrastructure amenities costa ricas six unique regions is the first part of the book and a real estate travel guide that covers over 100 towns throughout the nation the second part is live the dream which provides cultural insights and facts about costa rica accumulated from the authors extensive firsthand experience the third part of the book is the costa rica owners manual which separates the book from its competition and provides unparalleled information regarding purchasing property in costa rica the resource section provides phone numbers and websites to over 150 hotels featured in the book plus information on shopping schools and medical etc the book includes a glossary of spanish terms and a comprehensive index costa rica now is the complete resource for traveling living and owning in this new and beautiful central american frontier

situated between the caribbean sea and the pacific ocean costa rica is home to a diverse populace from its indigenous origins through spanish colonization the fight for independence and modern globalization the country s history has shaped the rich cultural heritage of its people in this dynamic text readers will not only discover about costa rica s art and cuisine but also how this unique nation is home to more than 5 percent of the world s biodiversity and that 25 percent of its land is national parks

vivid photographs bring the comprehensive content into sharp focus and reader friendly language clarifies complex concepts this book is an excellent supplement to elementary social studies curriculum

developed by literacy experts for students in grades three through seven this book introduces young readers to the geography and culture of costa rica provided by publisher

costa rica is renowned for its tropical beauty the warmth and charm of the ticos its people s own name for themselves and its political stability this switzerland of the americas is widely regarded as an oasis of democracy in turbulent central america since the first edition of culture smart costa rica was published in 2005 however there have been some important changes and with rapid economic development some growing pains over the past few years there has been a movement of population to the towns of the central valley higher education is now the norm for young ticos and the middle class has expanded but so has the gap between rich and poor tourism took a dive after the 2009 recession and the national debt has grown while the arrival of multinationals and significant chinese investment has been welcomed unemployment has risen people are prepared to go on strike more readily and there is a general disillusionment with politicians in the face of mounting difficulties the ticos remain remarkably peaceable relaxed and fun loving their enthusiasm for life is seen as much in their passion for soccer as in their demonstrations in support of human and political rights culture smart costa rica explores and explains the complex human realities of modern costa rican life armed with this information you will be better equipped to understand your hosts and to enjoy your visit to this beguiling and beautiful country to the full

a combination travelogue and guidebook that tells the humorous tale of the authors vacation in costa rica while also giving valuable travel tips

this selected issues paper examines several real sector issues including estimates of potential output the effect of intel s withdrawal on gross domestic product gdp labor market and inequality and electricity prices in costa rica the production

function approach shows that the main drivers of fluctuations in gdp growth are total factor productivity tfp and labor supply these results on tfp however should be interpreted with caution the tfp measure is a residual the difference between output growth and the growth in the quantity and quality of inputs estimates suggest that potential gdp growth is about 4 3 percent the output gap is broadly closed and intel s withdrawal will lower real gdp growth in about 1 2 percentage point significant wage premia are identified across public versus private sectors and some evidence of intergenerational inequality is also presented electricity tariffs are found to be regionally competitive albeit with inefficiencies in their determination

living in costa rica offers a detailed exploration of sustainable living and relocation opportunities in this environmentally progressive central american nation the book uniquely combines practical guidance with environmental consciousness examining how costa rica s impressive environmental achievements including protecting 25 of its territory and generating 98 of electricity from renewable sources shape daily life for expatriates and potential residents through three comprehensive sections focusing on environmental integration economic navigation and social adaptation readers gain insights into everything from regional biodiversity and climate patterns to housing markets and cultural integration strategies the book stands out for its thorough analysis of how environmental policies influence everyday decisions from choosing transportation to designing sustainable homes drawing from governmental statistics expatriate surveys and firsthand accounts it provides current actionable information for anyone considering a move to costa rica the text particularly excels in addressing the specific needs of retirees digital nomads and environmentally conscious individuals offering detailed regional comparisons from the cloud forests of monteverde to the coastal communities of guanacaste it tackles practical challenges like healthcare navigation and residency permits while maintaining a strong focus on sustainable living practices and cultural integration this comprehensive approach helps readers understand not just how to move to costa rica but how to thrive there while embracing the country s environmental values and cultural richness

in 1989 just as tourism was beginning in costa rica the author moved to the tropics with his wife and two young daughters

this is the saga of their often humorous adventures in their new found paradise the costa rican saying pura vida pure life summed up their hopes but they soon learned that there s no such thing as heaven on earth this is a must read for those contemplating dropping out to live on a tropical beach steve and mary lou now live in montana and maintain their home in manuel antonio as a vacation rental visiting as tourists when they can

what makes costa rica one of the world's most amazing destinations soar above the cloud forest on a zipline at monteverde spend the night at a deluxe ecolodge next to arenal volcano soak in the tropical beauty of costa rica's world class beaches at manuel antonio national park plan the perfect costa rican vacation filled with travel tips to save you time and money over 300 beautiful color photos over 30 detailed maps fascinating chapters on history culture and food informative guide to wildlife and ecology 1 of profits are donated to environmental organizations working to preserve costa rica's biodiversity for future generations printed on sustainable fsc paper

ecotourism development in costa rica the search for oro verde by andrew p miller examines the use of ecotourism as a development strategy in costa rica and its applicability to other central american states ecotourism provides an important environmental check on industry giving the environment a voice by making its preservation an economic necessity due to the number of people who derive their income from it the move away from agriculture to ecotourism is a natural fit because many of those who are engaged in agriculture have extensive knowledge of plants and animals that can be utilized by the ecotourism industry the use of ecotourism as a development strategy is distinctive for ecotourism to succeed it must preserve the natural environment but it must do so in a way that does not preclude growth in other sectors of the economy miller shows how the successful pursuit of foreign direct investment coupled with costa rica's immense biodiversity and its attractiveness to tourists is key to understanding the success of the costa rican economy many of the preferences that ecotourists have for a vacation destination also help create an amenable atmosphere for business these factors include political and social stability high quality of life low levels of corruption economic freedom high levels of education and a suitable infrastructure the most important part of this research is its development of strategies based upon the costa rican model that would be useful for other states in the region when looking at whether states can replicate the development strategy of costa rica environmental sustainability is an important concern ecotourism development in costa rica is an essential text for students and scholars interested in latin american politics and history development studies and environmental sustainability

erin van rheenen has made the move to costa rica herself and in moon living abroad costa rica she uses her know how to provide insight and firsthand advice on navigating the language and culture of this beautiful country erin outlines all the information you need including how to obtain visas arrange finances set up your daily life gain employment and choose schools in a smart organized and straightforward manner making planning the move abroad manageable moon living abroad costa rica also includes practical advice for a variety of needs and budgets on how to rent or buy a home whether it's a condo in the san josé suburb of escazú a wooden house in coastal tortuguero or a mountain retreat with a view of arenal volcano with color and black and white photos illustrations and maps to help you find your bearings moon living abroad costa rica makes the transition process easy for tourists business people adventurers students teachers professionals families couples and retirees looking to relocate

everyone knows that costa rica is a paradise but how does one find one's way around when streets have no names and houses have no numbers when does one shake hands and when does one kiss one's friends tropical immersion is the wry and very personal story of a year in costa rica the overland journey there and back and side trips to nicaragua and ecuador it details navigating the rough narrow busy costa rican sidewalks and learning to see doing so as a sport eating fruit that smells like bodily fluids and discovering that it tastes delicious and learning to respect reckless mexican bus drivers whose driving could be described by the uninitiated as terrifying by deciphering their clever use of turn signals the book offers a feast for the senses rich earthy aromas warm wind on the skin the bitter taste of dust in the air the sound of birds insects children laughing mothers calling their names and laborers working the land its focus is not sightseeing but culture diving not ogling or conquest but participation and integration it is part travelogue part cultural primer part memoir part romance and a treatise on the being present wherever one is

during world war ii and the immediate postwar era both the united states and costa rica experienced dramatic changes the united states assumed world leadership and the accompanying responsibilities costa rica encountered far reaching difficulties that

culminated in civil war in 1948 and the rise to power of jose figueres

this book examines the consequences positive negative and otherwise of tourism in costa rica based on ethnographic research and interviews with tourists tour operators tourists turned settlers and locals living in tourist destinations this book brings together these varied perspectives with the aim of presenting forms of tourism beneficial to all parties to examine both pitfalls and positive outcomes of tourism it compares modes of tourism in destinations that are locally owned and foreign owned ecotourism destinations beach tourism adventure tourism sites and agrotourism projects furthermore the author draws from two decades of research in two distinct communities to trace the ways in which the development of tourism in one community provided the springboard for changing gender roles and new opportunities for women and in the other how the promise of tourism has spurred a cultural revitalization and positive change in indigenous identity interviews with three generations of women in one tourist destination show generational changes in perspectives on tourism and interviews covering the same time span show how in an indigenous reservation poised to enter the heritage tourism industry tourism offers a positive alternative to exploitative forms of labor and the stigma once associated with indigeneity in that region interviews with locals in all four sites reveal the ways in which tourism carried out conscientiously would benefit them these juxtaposed with interviews of tourists regarding what they seek through tourism offer a means of designing a mutually beneficial form of tourism in sum this book puts into conversation the varied views of those positioned differently within the realm of tourism in order to inform tourists and foreign land owners as to how they might glean the advantages that such an experience may bring to the traveler while also playing up the benefits of these endeavors to local communities and minimizing the potential damage these practices may cause

this new and extended guide will answer you all the questions before relocating to costa rica and will let you discover the country of la pura vida at your own pace before you even get there this guide will help you get all the essential up to date trends personal stories from expatriates an insight of the mentality of the tico profound immigration information business ideas

for costa rica real estate knowledge from importing products to healthcare basically all the essential information you need to start over in costa rica furthermore you get a deeper understanding of the culture and local business manners a grasp for the lay of the land and nevertheless in depth information for evaders who have to stay anonymous under the radar and considering costa rica as their new home country
