we live in a time of religious warfare not just between different religions but also between those with differing versions of the same faith this religious distrust and political conflict may be the worst in american history since the civil war speaking as a progressive conservative biblical scholar robert vande kappelle uses a four stage model of faith development to rethink core christian doctrines starting with current events and a discussion on the role of religion this book examines how inadequate faith

development makes people of faith susceptible to misinformation conspiracy thinking and even to cultic mindsets people of faith do not choose to believe a lie they all want to believe what is true hence it is surprising that in the realm of religion so many people are willing to rely upon untested and even highly disputed beliefs beliefs most received as children unfortunately many of these teachings are based upon ancient hopes and fears rather than upon factual historical information taken literally dualistic teachings concerning heaven and hell sin and salvation good and evil and apocalyptic beliefs such as the end times and the imminent return of christ to earth are questionable not only because they are beyond historical and scientific verification but also because they can be misused by authoritarian leaders to control and mislead devout individuals thankfully there is a way to outgrow cultic christianity the path to spiritual maturity comes by restoring the role of religion a form of spirituality discovered not by addition but by a process of subtraction outgrowing cultic christianity is useful for individual or group study each chapter concludes with questions suitable for discussion or reflection

fear is an inescapable part of how human beings experience reality the impact of fear becomes particularly evident in a crisis when a crisis strikes be it a war a pandemic global warming or a financial crisis leaders are challenged to exercise sound judgement by speaking and acting this book argues that there are three fears every leader has to know apocalyptic fear political fear and private fear by appealing to these three fears in an adequate manner a leader s appeal to fear may serve a constructive purpose in a crisis

this book is a printed edition of the special issue religion and the new technologies that was published in religions

many believers neglect to study the old testament because they find it confusing or because they assume that it is less important to the christian faith than the new testament we cannot understand jesus or his gospel without a proper grounding in the old testament scriptures thus we need to read and study the whole counsel of god let us not neglect the study of either testament unique among all books ever written the bible accurately foretells specific events in detail many years sometimes centuries before they occur approximately 2 500 prophecies appear in the pages of the bible about 2 000 of which already have been fulfilled to the letter no errors the remaining 500 or so reach into the future and may be seen unfolding as days go by since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it god is not the only one however who uses forecasts of future events to get people s attention satan does too through clairvoyants such as

jeanne dixon and edgar cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy messages from satan furthermore fail to match the details of bible prophecies nor do they include a call to repentance the acid test for identifying a prophet of god is recorded by moises in deuteronomy 18 21 22 according to this bible passage and others god's prophets as distinct from satan's spokesmen are 100 percent accurate in their predictions there is no room for error the new testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before details of jesus life and death were written in divine prophecy hundreds of years before he was born in bethlehem throughout the gospels this amazing truth is emphasized as jesus and his apostles left the upper room for the garden of gethsemane he said to them you will all fall away because it is written i will strike down the shepherd and the sheep shall be scattered mark 14 27 after judas betrayal jesus rebuked peter for drawing his sword and cutting off the ear of malchus and said to him put your sword back into its place how then will the scriptures be fulfilled which say that it must happen this way matthew 26 52 54 on the cross jesus waited until he saw that all things had already been accomplished before he uttered his only physical request i am thirsty john 19 28 later the spear was thrust into jesus side and blood and water came out we read for these things came to pass to fulfill the scripture not a bone of him shall be broken and again another scripture says they shall look on him whom they pierced john 19 36 37 the angel who was at the tomb on the morning of the resurrection said remember how he spoke to you while he was still in galilee saying that the son of man must be delivered into the hands of sinful men and be crucified and the third day rises again luke 24 6 7 when jesus met with the apostles and disciples sunday evening the same day he arose from the dead he said to them these are my words which i spoke to you while i was still with you that all things which are written about me in the law of moises and the prophets and the psalms must be fulfilled thus it is written that the christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in his name to all the nations beginning from jerusalem luke 24 44 47 in jesus affirmation to those sunday night witnesses he referred to all three divisions of the hebrew old testament the law of moises the prophets and the psalms as he described the prophecies that had been fulfilled in him it has been said that if one reads any part of the bible and does not see jesus in it he should go back and reread it for he has missed something very important in peter's first gospel sermon on the day of pentecost he declared that jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of god acts 2 23 in his second sermon in acts peter covered in one sweeping sentence the prophecies of the whole old testament saying that jesus sufferings on the cross fulfilled all that had been prophesied but the things which god announced beforehand by the mouth of all the prophets that his christ would suffer he has thus fulfilled acts 3 18

both the theory and practice of educational administration have undergone major changes in recent years there is now more theoretical diversity in the field than at any other time with influences from traditional and post positivist science subjectivism ethics critical theory and cultural studies similarly social political and economic factors have brought about new approaches to practice schools administration in particular is increasingly being dominated by decentralization and pressures for accountability on curriculum and educational outcomes educational administration is the first Australian text to offer a comprehensive survey of theory context and practice it includes chapters from leading Australian scholars such as Richard Bates Hedley Beare Brian Caldwell Gabriele Lakowski and Fazal Rizvi
