picking up where book 1 vampire witch left off casey looks forward to settling into verso while she enjoys being a new mother gets accustomed to being a vampire and continues with her magic tutoring unfortunately her bliss is short lived when threat of war from the new world order requires she assume her role as queen of vampire land with the help of two vampire brothers who are both vying for her love geo and luthias she uncovers lies deceit and escapes attempts on her life while she struggles to secure a legacy for her son vampire queen is book 2 of the vampire witch trilogy what readers are saying i waited anxiously for this continuation and it was amazing i loved casey and how strong she was this book had so much more going on in it than the first i think a lot of secrets came to light that shocked me there was also a lot of mystery and deceit i couldn t put this book down once i started it i don t want to give away any spoilers so i will give a brief overview as best i can this book picks up right from where vampire witch left off this book is amazing once you start reading you won t be able to put it down and you won t want to put it down there are so many twists and turns when you think you have things figured out everything changes luthias is more prominent in this book and it was great getting to know him better there were times i wanted to slap casey and just ask her why lol vampire land is the main focal point and there are a few new characters there that are great and well developed all the characters matured so much throughout the book and it was definitely an emotional roller coaster the entire story whether it was because of casey geo and luthias or her just trying to figure out how to become a vampire queen casey really goes

through some major struggles this story and i really liked how grew as person the entire story vampire queen was a continuation of the vampire witch trilogy by eileen sheehan it was more of the same sexy vampire story but it continued to tell the tale of how casey had to adjust to being a mother and taking charge of her new kingdoms and all the difficulties that come along with it i enjoyed this book as much as the first one as there were twists and turns once again that kept my attention along with some very steamy sex scenes
