the story of the norse begins with the first ancient tribes during the early nordic stone age there originated the nordic ax culture when primitive norsemen create their first stone battle axes an incredible evolution of an innovative and progressive culture that groomed legendary warriors whose voices still roar out today take a journey into the age of viking expansion where ragnar lothbrok rollo erik the red and many other famous vikings take you on a ride into the very halls of valhalla learn about norse culture marriage customs baby naming ceremonies and the sacrificial blóts used in spiritual and religious observances explore legendary norse such as the jómsvíkings varangian and rus the vikings played ball and board games and had their own form of martial arts called glima explore knowledge and technology specific to a culture that was shaped by a people who were able to reach

great distances across seas beyond their homelands a battle ferocious people who were unmatched by their opponents there s a whole new world of understanding about the ancient vikings has been opened up by new archaeological discoveries and studies new findings that lead to new questions about the jötnar often called frost giants there were many shared technologies between the ancient norse the inuit and other native american aborigines viking explorers have long interacted and traded with many people and cultures afar were ancient norse already in contact with early native americans see for yourself with new information about the norse that was once lost in time

describes the vikings including their history weapons and way of life

the vikings dominated western europe from the 9th to the 11th centuries in this account of the viking world every aspect of viking life is examined important chapters on ships runes and religion have been contributed by specialist authors and the text is complemented by illustrations including maps and reconstruction drawings photographs many of them especially commissioned portray the brilliant products of the vikings culture and the beauty and harshness of the natural world they faced

includes settlement of iceland and greenland and voyages to america

known for hit and run raids that struck terror into the hearts of villagers across europe during the middle ages the vikings were independent farmers but also daring explorers sailing far from scandinavia in search of new land to conquer and farm author don nardo unpacks the many myths surrounding the vikings with this comprehensive account of the their culture and impact upon the course of history chapters approach the subject with accessible language maps and timelines to broaden student understanding and facilitate research topics discussed in this edition include the origin of the vikings conquests and expansions the nature of viking communities norse mythology explorations of the west and the end of the viking age

the viking age was a period of european history that spanned roughly from the late 8th to the mid 11th centuries it was a time of significant cultural social and political change marked by the expansion of scandinavian peoples across the north atlantic and into europe as well as the development of distinct viking societies and cultures

this book tells the story of one of the most fascinating civilizations in history combining historical information with the richness of norse mythology and culture step into the world of the vikings the legendary seafarers warriors traders and explorers who shaped medieval europe and beyond you will begin this journey at the origins of the viking age witnessing the rise of powerful scandinavian chieftains and their conquests in england frankia ireland and even north america the book reveals the complexity and ambiguity of the harsh viking society from their laws and governance to their arts traditions and beliefs you will discover the true causes of viking expansion and the sophisticated maritime technology that fueled it stories of legendary vikings ragnar lothbrok eric the red and others brutal viking raids and conquests formation of powerful viking kingdoms culture and mythology that shaped norse identity the decline of the viking age and its legacy if you're a history and mythology fan this book is a must add to your collection order your copy and begin your journey among ice iron and flame

the story of the vikings is one of the most dramatic in european history from their base in scandinavia viking warriors and settlers spread across northern europe into russia and across the atlantic after their first impact as fearsome raiders destroying monasteries and plundering coastal settlements the vikings turned to conquest in england ireland and normandy in their longships they also penetrated into the mediterranean and as far as byzantium as well as establishing settlements in iceland and greenland and discovering vinland or america the vikings is a concise and clear survey of who the vikings were what they did why they did it and how we know about them it includes an account of their remarkable saga literature it is likely to become a standard work on the subject

in the viking age paul b du chaillu delves into the complex tapestry of norse exploration culture and mythology from the late 8th to the early 11th century his work is characterized by a vivid narrative driven style that combines rigorous historical research with an engaging prose making it accessible yet enlightening du chaillu's use of primary sources including sagas and archaeological findings offers readers a profound understanding of the vikings impact on european history and their role as formidable explorers and traders the blend of mythological references and factual narrative places the text within the wider context of 19th century historical revivalism as the author seeks to illuminate the often misunderstood viking legacy through a lens of respect and fascination born to a family of french descent and raised in an environment steeped in both american and european cultures du chaillu's

insatiable curiosity led him to embark on extensive travels including expeditions to africa and scandinavia his unique perspective as an outsider looking in enabled him to challenge prevailing stereotypes of the vikings emphasizing their sophistication and complexity this background marked by both adventure and rigorous study profoundly influenced his approach to historical writing this book is highly recommended for readers interested in medieval history viking culture and the intersection of myth and reality du chaillu's vivid portrayal invites scholars and casual readers alike to explore a thriving adventurous society that contributed significantly to shaping modern europe the viking age not only educates but also inspires a deeper appreciation for the multifaceted heritage of the norse

the vikings possessed many skills and talents that helped them make a lasting contribution to the world but they are legendary for their raiding and pillaging their ventures and conquests in europe during the viking era are major events in world history

this audiobook is an in depth look at the viking age and the deeds and daily lives of these ancient sometimes mysterious people the vikings of scandinavia were heroic adventurous and often barbaric but there can be no debate that they were also a people with big aspirations viking culture is still a topic of interest today and this offers an insight into just how enduring their legacy is this audiobook will discuss daily life during the viking age the cultural and societal norms of the vikings conquering raids explorations and viking actions that spanned the globe during their golden era the conversion from paganism to christianity of the people of scandinavia the vikings enduring legacy in modern times the vikings were a people of power brute strength and industry their lasting impression cannot be ignored and deserves our appreciation enjoy discovering who these people really were and how they impact us even still centuries later

profusely illustrated text discusses the history customs life style and discoveries of the vikings

a history of the vikings

over the course of 250 years viking raiders their descendants settled in urbanized ireland connecting the irish with long distance trade routes as never before this book presents an accurate picture of the complex relationship between the town dwelling scandinavians the rural irish

twelve reading scholars draw on the latest research and archaeological evidence to provide an honest picture yet of this fabled people known as the northmen 110 photos 24 full color line illustrations 16 maps

provides a starting point for researchers and students investigating the viking settlement of britain this book considers the history and development of contemporary debates about scandinavian settlement and examines differences between rural and urban viking settlement it looks at the scandinavian conversion to christianity

traces the history of viking exploration and conquest in europe and north america
