the translation of felicja kruszezwska s a dream introduces a major play by a twentieth century female playwright to the english speaking world on march 7 1927 a dream a large scale expressionistic drama by an unknown poet burst on the polish theatrical

scene in a dazzling debut production by the young actor edmund wiercinski who would become one of the outstanding directors of his time the play s hallucinatory visions of the rise of fascism and the heroine s longing for a providential savior on a white horse spoke directly to polish audiences about their deepest anxieties during the next two years a dream received three additional stagings and became the subject of lively debate and controversy the play which has been successfully revived in 1974 is an outstanding example of european expressionism the volume also contains an excursion to the museum by the contemporary polish poet playwright and short story writer tadeusz rozewicz a disturbing account of an utterly mundane visit to auschwitz the tale is a brilliant example of the playwright s technique of poetic collage
