experience the witch compass your vehicle map and destination explore the compass of the eight winds a magical circle at the heart of traditional witchcraft more than a tool for protection or raising power this framework provides the ritual means to traverse the worlds and a mythic landscape that can be accessed at any point in time and space traditional witchian chambers teaches how the witch compass represents an entire worldview a cosmological map and a method for magic and revelation he helps you develop your own compass and use it for divination spirit work and practical sorcery this book shows you the world through the lens of your witch compass and reveals the many realms and spirits available to you

an underemployed skateboarding party animal colby buzzell traded a dead end future for the army and ended up as a machine gunner in iraq to make sense of the absurd and frightening events surrounding him he started writing a blog about the war and how it differed from the government's official version but as his blog's popularity grew buzzell became the embedded reporter the army couldn't control despite its often hilarious efforts to do so the result is an extraordinary narrative rich with unforgettable scenes the iraqi woman crying uncontrollably during a raid on her home the soldier too afraid to fight the troops chain smoking in a guard tower and counting tracer rounds the first fierce firefight against the men in black drawing comparisons to everything from charles bukowski to catch 22 my war depicts a generation caught in a complicated and dangerous world and marks the debut of a raw remarkable new voice

today people have the freedom to practice their religions and this has been extended to modern witches who are free to practice wicca which they regard as their religion without persecution while television shows such as buffy the vampire slayer and sabrina the teenage witch have become to be accepted as entertainment almost without comment for those who practiced witchcraft in the past however it would have meant immediate arrest torture and trial followed by a gruesome and agonizing death every misfortune visited on humankind was laid at the door of so called witches and could be a stillborn child a deformed calf or a failed crop many were executed because they fitted the accepted stereotype or merely because of the presence of a common blemish on their skin for christians witchcraft came to be

equated with heresy it was believed that witches used evil spirits to help them in their service of the devil and bizarre tests were devised to ensure that they were identified yet witchcraft could be seen merely as vestiges of old pagan religions by which man once sought to understand and control nature and which were largely swept aside by the more formal and developed monotheistic religions but today elements of paganism have survived by a belief in good and evil magic fertility rituals and the efficacy of curses and charms
