civil services are the most prestigious and accountable services in the country educated youths have a special attraction towards them the book tells you how to prepare for these exams this book eases most of the difficulties of the examinees

reissuing works originally published between 1971 and 1994 this collection includes books which offer a broad spectrum of views on curriculum both within individual schools and the wider issues around curriculum development reform and implementation some cover the debate surrounding the establishment of the national curriculum in the uk while others are a more international in scope many of these books go beyond theory to discuss practical issues of real curriculum changes at primary or secondary level the set includes books on cross curricular topics such as citizenship and environment and also guidance careers life skills and pastoral care in schools a fantastic collection of education history with much still relevant today

in the hustle to make career that is regulated by society most give up on their dreams and passions but for k kohli writing was a compulsion not a choice that s how passion manifests it s like the mountain course of the river that forces its way through the roughest of the terrains born in delhi graduated from st stephens college university of delhi he is an inspirational speaker who motivates young people to pursue careers in civil services and community development he continues to be an exemplary figure demonstrating how individuals can make a profound impact on their communities through dedication hard work and a deep sense of social responsibility the civil services have risen in social reckoning as a career due to its significant role in bringing government s policies to the people and making development possible on ground like a rainmaker qualifying for the civil services is also considered as a mark of talent and success given that it requires passing through a multi stage rigorous system of examination and interview apart from job security and satisfaction the services provide ample opportunities and challenges to prove one s mettle and also to contribute and give back to society in india the civil service is defined as appointive positions by the government in connection with the affairs of the union and includes a civilian in a defence service except positions in the indian armed forces this exam is not for people who believe in shortcuts who are impatient and casual it seeks such people who believe in rigorous study only the candidates who are thoroughly organised disciplined and determined can taste it s success ultimately the country needs officers equipped with these qualities if those candidates who have a profusion of the aforesaid qualities get the right guidance then they can definitely crack the ias exam this book has been prepared for such deserving and appropriate candidates we are not just hopeful but have complete faith that his book will definitely work as a useful guidance in making the honest and strong willed

candidates as ias move forward with heart within and god overhead connect at

this book explores the attitudes of the spanish army officer corps towards the evolution of warfare during the early decades of the twentieth century and their influence on the armies of the spanish civil war it examines how the spanish military coped with technological innovations such as the machine gun and the tank how it adapted the army s battlefield doctrine to changes in warfare before the civil war and the influence of this doctrine on the outcome of the conflict of the different armed forces that fought in the spanish civil war it is paradoxically the spanish army that remains most forgotten especially its military doctrine scholarship on the spanish military in this period focuses on its politics ideology and institutional reforms touching upon hard professional issues only superficially if at all based on original research and using largely unstudied spanish primary sources this book fills a major scholarly gap in the history of the spanish army and the spanish civil war

the present work concludes the important and monumental undertaking of islanders in the stream a history of the bahamian people creating the most thorough and comprehensive history yet written of a caribbean country and its people in the first volume michael craton and gail saunders traced the developments of a unique archipelagic nation from aboriginal times to the period just before emancipation this long awaited second volume offers a description and interpretation of the social developments of the bahamas in the years from 1830 to the present volume two divides this period into three chronological sections dealing first with adjustments to emancipation by former masters and former slaves between 1834 and 1900 followed by a study of the slow process of modernization between 1900 and 1973 that combines a systematic study of the stimulus of social change a candid examination of current problems and a penetrating but sympathetic analysis of what makes the bahamas and bahamians distinctive in the world this work is an eminent product of the new social history intended for bahamians others interested in the bahamas and scholars alike it skillfully interweaves generalizations and regional comparisons with particular examples drawn from travelers accounts autobiographies private letters and the imaginative reconstruction of official dispatches and newspaper reports lavishly illustrated with contemporary photographs and original maps it stands as a model for forthcoming histories of similar small ex colonial nations in the region
