millennia have passed since adam enoch and noah lived on the earth and with all the niceties of modern life it can be hard for us to think of these genesis patriarchs as more than just names on a page but modern revelation has also offered us a more illuminating picture of their lives than has ever been available before they walked with god pairs ancient scriptural accounts with these modern revelations to present an intimate biography of nine genesis patriarchs best selling author duane s crowther offers hundreds of historical biographical and cultural details to teach you about these men and the doctrines they followed in a clear easy to follow format that will enrich your study of the entire old testament

the testaments of the twelve patriarchs the following twelve books are biographies written between 107 and 137 b c they are a forceful exposition showing how a pharisee with a rare gift of writing secured publicity by using the names of the greatest men of ancient times there were intellectual giants in those days and the twelve patriarchs were the intellectual giants each is here made to tell his life story when he is on his deathbed he calls all his children and grandchildren and great grandchildren about him and proceeds without reservation to lay bare his experiences for the moral guidance of his hearers if he fell into sin he tells all about it and then counsels them not to err as he did if he was virtuous he shows what rewards were his when you look beyond the unvarnished almost brutally frank passages of the text you will discern a remarkable attestation of the expectations of the messiah which existed a hundred years before christ

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true

to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
