the life of a neurosurgeon isn't an easy one and ben has been required to go above and beyond the call of duty almost constantly the life of a neurosurgeon's wife isn't much easier but it's all been worth it together we've been through poverty tragedy wealth and joy and we've had each other's backs i love that guy candy carson like most americans you might think of ben carson as a trailblazing brain surgeon and in the last few years as an outspoken commentator on national issues but his wife of more than forty years knows him as so much more a loving husband a devoted father a devout christian a committed philanthropist and a fierce patriot now candy carson introduces us to the private side of a very public figure as she shares the inspiring story of their marriage and their family like her husband candy grew up in detroit one of five children of a teacher and a factory worker also like ben she overcame her humble background through determination hard work and perseverance earning a scholarship to attend yale university in that strange new world she focused on her studies her music and her deepening spiritual life she attended church with a handsome older student who liked to tease her but never assumed he would be anything more than a friend to her but ben and candy quickly became inseparable and they married soon after she graduated with ben still in medical school preparing for his career as a soon to be world famous pediatric neurosurgeon in a doctor in the house candy reveals many stories that have never been told before despite the media spotlight on dr carson in recent years she shows us what it was like when they moved to baltimore to join the community centered around johns hopkins hospital she describes how their family evolved with the births of their three sons and the tragic miscarriage of their twins she talks about the challenges of ben's twelve to twenty hour workdays saving thousands of lives every year while candy ran the household she also addresses the prejudice they sometimes faced as african americans and how

ben's calm levelheaded approach made him a great problem solver at home and in their travels just as he was in the operating room above all she reveals her husband's consistency as a believer in god in family and in america having lived the american dream ben believes every child from every background is capable of achieving it that's why he and candy have been committed to educating and inspiring young people and over the past twenty years have awarded more than 6 700 students with scholarships through their carson scholars fund a doctor in the house is a classic american love story and that story is far from over as candy writes we don't know what god has for us next but we're ready to follow as we head forward into the unknown once more i thank god for putting us together

it's been said that life is like a dark night in a cheap hotel the world is just plain crazy that makes miracles angel appearances and answers to prayer even more amazing god is in the crazy invites the reader to witness how god can suspend laws of time and space in order to save us from dangers and bestow blessings if you've felt broken and desperate forsaken and faithless the many miracles of this book will give you hope after the author's journey through drug and alcohol abuse and his seasons in what the bible calls the waste howling wilderness of life's trials and heartaches his hope in god has never stopped growing this book will help you find refuge and strength during similar times in the wilderness and while god's ways are often inscrutable you'll gain insights into why faith in him is never in vain you'll learn how god draws straight with crooked lines the advantages of downward mobility and how the wilderness equals power along with reflections on ways to receive deep peace god is in the crazy will help you walk more confidently into your fulfilling destiny

what is america becoming or more importantly what can she be if we reclaim a vision

for the things that made her great in the first place join dr ben carson as he explores what made this nation great and discovers how we can find our way back in america the beautiful dr ben carson helps us learn from our past in order to chart a better course for our future from his personal ascent from inner city poverty to international medical and humanitarian acclaim carson shares experiential insights that help us understand what is already good about america where we have gone astray which fundamental beliefs have guided america from her founding into preeminence among nations written by a man who has experienced america s best and worst firsthand america the beautiful is at once alarming convicting and inspiring you ll gain new perspectives on our nation s origins our judeo christian heritage our educational system capitalism versus socialism our moral fabric healthcare and much more an incisive declaration of the values that shaped america s past and must shape her future america the beautiful calls us all to use our god given talents to improve our lives our communities our nation and our world

an instant new york times and usa today bestseller part history and part cultural analysis the grift chronicles the nuanced history of black republicans clay cane lays out how black republicanism has been mangled by opportunists who are apologists for racism after the civil war the pillars of black republicanism were a balanced critique of both political parties civil rights for all americans reinventing an economy based on exploitation and most importantly building thriving black communities how did black republicanism devolve from revolutionaries like frederick douglass to the puppets in the trump era whether it s radical conservatives like south carolina senator tim scott or supreme court justice clarence thomas they are consistently viral news and continuously upholding egregious laws at the expense of their black brethren black faces in high places providing cover for explicit bigotry is one of the greatest threats to

the liberation of black and brown people by studying these figures and their tactics cane exposes the grift and lays out a plan to emancipate our future
