this groundbreaking volume of the five books of moses shows and explains how the source texts were compiled a fundamental resource peter machinist harvard university for centuries biblical scholars have worked on discovering how the bible came to be the consensus among a broad range of experts is known as the documentary hypothesis the idea that ancient writers produced documents of poetry prose and law over many centuries which editors then used as sources to fashion the books of the bible that people have read for the last two thousand years in the bible with sources revealed eminent scholar richard elliott friedman offers a new visual presentation of the five books of moses genesis exodus leviticus numbers and deuteronomy unlocking the complex and fascinating tapestry of their origins different colors and type styles allow readers to easily identify each of the distinct sources showcasing friedman s highly acclaimed and dynamic translation this unique bible provides a new means to explore the riches of scripture by making it possible to read the source texts individually to see their artistry their views of god israel and humankind and their connection to their moment in history presenting the largest collection of evidence ever assembled for establishing and explaining the documentary hypothesis showing visually how the bible was formed out of these sources helping readers appreciate that the bible is a rich complex beautiful work as a result of the extraordinary way in which it was created

an expert guide and teacher delves into difficult topics with humor and ease well worth reading biblical archeology for many the names bethlehem babylon and jerusalem are known as the setting for epic stories from the bible what often gets missed is that these cities are far more than just the setting for the bible and its characters they were instrumental to the creation of the bible as we know it today robert cargill archeologist bible scholar and host of the history channel series bible secrets revealed blends archaeology biblical history and personal journey as he explores ancient cities and their role in the creation of the bible he reveals surprising facts such as what the bible says about the birth of jesus and how mary s virgin birth caused problems for the early church we ll also see how the god of the old testament was influenced by other deities and how far more books were left out of the bible than were let in during the

canonization process the cities that built the bible is a magnificent tour through fourteen cities the phoenicia cities of tyre sidon and byblos ugarit nineveh babylon megiddo athens alexandria jerusalem qumran bethlehem nazareth and rome along the way cargill includes photos of artifacts dig sites ruins and relics in this fascinating exploration that sheds new light on the bible a lively personal account that puts flesh and bones on the tale richard elliott friedman the author of the bible with sources revealed cargill transports readers to these ancient locales illuminating the municipal dynamics that shaped the bible booklist

explanations of nearly 1 000 ancient idioms metaphors and figures of speech in the old and new testaments from a renowned bible translator george m lamsa who was raised speaking aramaic in a community that followed customs largely unchanged since the times of christ offers accurate translations of important idioms metaphors and figures of speech found in the scripture and provides clear explanations of their meaning in biblical context just as shakespeare milton and browning wrote in the vernacular for english speaking people mooses the prophets and the apostles wrote for their own people in the plain language of their times so that even the unlearned might understand god s word over the centuries inaccurate translations and misunderstandings of customs and concepts have led to difficulties in bringing the biblical message to contemporary english speaking readers for example when a man says to jesus let me bury my father lamsa points out that this expression means let me first take care of my father until he dies traditionally scholars assumed that this man s father was dead and that jesus was not interested in his burial lamsa s scholarship offers a more accurate understanding of the intent and spirit of this passage idioms in the bible explained and a key to the original gospels goes far in correcting such errors that have crept into biblical scholarship obscure and difficult passages from both old and new testaments are listed and compared with the king james version though it will be helpful when used with any english version these make clear the original meaning of such ancient idioms and assure that our grasp of the biblical message is more sound and rewarding to further uncover the original teachings of scripture lamsa discusses at greater length such topics as the language of jesus aramaic phraseology the sayings of jesus early translations and more

p somewhere between jesus loves me and high school cynicism the childlike acceptance of pat answers about faith is lost often forever but while many parents find this transitional period daunting they don t want their kids to leave the christian faith just because they didn t get good answers to how prayer works or whether dinosaurs were on noah s ark p p i honest answers i is a discussion book to help parents tackle the god questions that make them sweat this isn t the place to come for pat answers that will make their kids nod smile and disconnect janelle alberts and ingrid faro know that when tweens start asking questions they re already old enough to understand the answers they re determined to equip parents with the language theology permission and confidence to join in the discussion and to learn how to offer deeply doctrinal answers in 140 characters or less p p the tween years present an incredible opportunity to build trust with kids and to keep them coming back to their parents for answers rather than finding other sources with the tools and conversational tips here mom and dad can engage in a hopeful conversation and help their children build a christian faith to hold them steady their whole lives p

the bible is a locked treasure for those unfamiliar with the scriptures beal offers a key with his accessible guide cleveland plain dealer timothy beal s biblical literacy is a one stop course in the bible passages and background information that everyone needs to know to navigate our nuanced cultural landscape from devout believers to decided atheists average citizens to pop culture aficionados like religion in america religion and its monsters and his other highly acclaimed books beal s biblical literacy is a must have handbook for understanding today s world with skill and insight timothy beal has given us a great gift a lucid and engaging introduction to the most important book ever published jon meacham pulitzer prize winning author of american

lion tim beal has written about the rich thick connections between the bible and popular culture in a society of deep and dangerous disconnects the connects of this book serve exceedingly well walter brueggemann author of the prophetic imagination a readable informative and timely book harvey cox hollis research professor of divinity harvard university and author of the future of faith here you will find numerous gems of the jewish and christian scriptures along with pithy helpful and at times even witty introductions bart d ehrman james a gray professor of religious studies university of north caroline author of jesus interrupted beal makes a well stated case that a knowledge of the bible is essential to understanding our culture his book will serve as a handy first step toward that goal especially for the reader who may feel intimidated by the boring bits bookpage

social justice pharisees woke church tactics and how to engage them prepares readers for the social justice conflict in their local church evangelicalism in general and the culture at large social justice has been able to gain traction in the evangelical church due to a lack of clarity on key issues of biblical justice the woke church movement seeks to capitalize on this lack of clarity and push politically progressive ideas in the conservative evangelical church biblical sounding words such as justice and love are robbed of their meaning and the lack of clear teaching on these issues has put the layman in an uncomfortable position the good news is that the solution is straightforward social justice pharisees shows that there are a handful of easy to memorize verses that teach easy to understand principles that refute each objectionable aspect of the social justice movements key errors they have been there all along and just need to be applied to modern context in a straightforward way a d robles is a puerto rican reformed christian his family tree includes african slaves european slaveholders slave traders and native americans all the usual accusations and insults don t work against him and his family more importantly he has a knack for teaching biblical concepts in layman s terms thereby amassing a following on his youtube channel which is dedicated to this task unlike many major theologians in social justice pharisees a d does not try to dazzle with complicated words or reference obscure philosophers instead he seeks to be understood plainly for a handbook of this sort this is crucial

popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better

cancer you hear the word and your heart stops unfair frightening life death fragmented thoughts ricochet around in your mind as you try to grasp this unthinkable diagnosis how will she be able to fight it how will i be able to help her the diagnosis of cancer is devastating leaving family and friends feeling helpless wishing there was something they could do to alleviate their loved one s suffering thankfully there is faithful warrior offers an answer to those questions equipping you with scripture based prayers for the person battling cancer these simple yet heartfelt prayers are infused with the power of god s word inviting the faithful warrior to step out in belief and hope written to be perfectly blended with the reader s prayers and voice the prayers focus on personal surrender and acceptance continued hope and healing and god s constant and abiding presence equipping the reader with a means of tangible support while offering a deeper sense of involvement the battle against cancer is intense woven throughout with fear anger and doubt yet the compassionate voice of faithful warrior will comfort your heart and soul arming you with strength and support during this fierce fight many people say i ll pray for you it s the least i can do no faithful warrior it is the most you can do the sword is now in your hand the question is what will you do with it

jam packed with more than 800 pages of expert advice and hands on guidance this book has everything readers need to build their own cutting edge sites a one stop resource that delivers the scoop on everything from html tables and forms to javascript and flash brand new chapters cover getting attention with google adwords building yahoo and amazon com stores creating great ebay auctions and getting paid with paypal includes new information on designing with cascading style sheets syndicating a site with rss building a blog and more

the best introduction i know to the jewish faith presented in the hebrew scripture eugene b borowitz hebrew union college jewish institute of religion a treasury of religious thought and faith places the symbolic world of the bible in its original context a challenging exciting work in jewish theology not to be missed ruth segal bernards sh ma a significant advance in jewish christian understanding could be made if christians would read sinai zion john simpson provident book finder beautifully written theologically sensitive and ecumenical richard j clifford s j weston school of theology it is a book which has been longed for it is also a very good book t r hobbs biblical theology bulletin in this eminently readable work of biblical scholarship of the highest order levenson enables that bible s many voices to speak for themselves and yet communicate a coherent religious vision robert l cohn journal of religion

the bible children choose to read

one of america s best scholars of religion the economist examines the bible s most violent verses and explains how rereading them strengthens faith commands to kill to commit ethnic cleansing to institutionalize segregation to hate and fear other races and religions all are in the bible and all occur with a far greater frequency than in the qur an but fanaticism is no more hard wired in christianity than it is in islam christians cannot engage with neighbors and critics of other traditions nor enjoy the deepest most mature embodiment of their own faith until they confront the texts of terror in their heritage philip jenkins identifies the holy amnesia that while allowing scriptural religions to grow and adapt has demanded a nearly wholesale suppression of the bible s most aggressive passages leaving them dangerously dormant for extremists to revive in times of conflict jenkins lays bare the whole bible without compromise or apology and equips us with tools for reading even the most unsettling texts from the slaughter of the canaanites to the alarming rhetoric of the book of revelation laying down the sword presents a vital framework for understanding both the bible and the qur an gives westerners a credible basis for interaction and dialogue with islam and delivers a powerful model for how a faith can grow from terror to mercy

hilarious it s cliffsnotes for scripture screenplay by plotz story by god in the end though the book is made by the spirit of the writer the new york times book review at a time when wars are fought over scriptural interpretation when the influence of religion on american politics has never been greater when many americans still believe in the bible s literal truth it has never been more important to get to know the bible good book is what happens when a regular guy an average joe actually reads the book on which his religion his culture and his world are based along the way he grapples with the most profound theological questions how many commandments do we actually need does god prefer obedience or good deeds and the most unexpected ones why are so many women in the bible prostitutes why does god love bald men so much is samson really that stupid like the bible itself good book contains multitudes it is by turns thought provoking funny enlightening and moving a j jacobs new york times bestselling author of the year of living biblically irreverent plotz s hilarious exegeses will have you laughing out loud who knew the bible was such a riot time out new york plotz is a genius writer franklin foer author of how soccer explains the world a bloody good book very funny priceless for those of all traditions who see value in posing unanswerable questions to each other and to god

himself minneapolis star tribune deeply religious people might be offended by the book but for the rest of us there s a laugh on every page booklist
