auth reuters correspondent theoretical approach

illustrated with unique and rare photographs from the times london archives war a photo history is a lucid and brutally honest depiction of war the introduction of cameras to the front lines dramatically altered the way we view war this narrative fleshes out the original dynamic between what occurred on the ground and what was seen and perceived back home the significance of which cannot be overstated for societies that are now very used to images of war in the media many of the images in war a photo history have not had widespread exposure and this gathering of unseen and relatively unknown viewpoints will be valuable to the historian and photographer alike

books about war and the pictures that came out of conflict usually concentrate on the picture content but behind every

picture there is a camera and that's what this book is about profusely illustrated throughout with pictures of the cameras rather than the pictures they took it looks at 100 years of conflict from the Crimean War to the Korean War it begins in the days when a photographer needed to be more of a scientist than an artist such were the difficulties of shooting and processing any photograph it ends with the cameras whose compact dimensions versatility and ease of use meant that photographers could largely forget the science and concentrate on the art some cameras simply recorded events others defined and changed the way those events proceeded these were the cameras that went to war and this is their story

astonishingly clear detailed images recall the drama agony and tedium of conflict portraits of Lincoln Grant Lee and other notables plus scenes of landmarks camps and battlefields captions notes 24 cards

First War Photos explores the dawn of war photography examining how early photographic technology captured 19th century warfare and shaped public perception it delves into the challenges faced by pioneers like Roger Fenton during the Crimean War and Mathew Brady during the American Civil War revealing how their images despite technical limitations brought the battlefield to the home front these First War Photos though sometimes staged marked a significant shift in war reporting the book investigates the evolution of photographic processes from daguerreotypes to wet plate collodion and their impact on documenting military history it highlights how these images altered the relationship between the public and armed conflict through meticulous examination of primary sources and photographic analysis the book progresses from an introduction covering photography's pre-war state to chapters focusing on specific conflicts and photographers culminating in a conclusion assessing the long term impact and ethical implications of early war photography

this book is a visual theoretical and historical resource about the photography of war and how images are used as instruments of war it comprises essays and interviews by prominent theorists artists and photographers and covers the urgent issues of the depiction of war the use of images of war by the media and the circulation of unofficial images and the impact of the digital mediascape

contains primary source material

America's great conflict was also the first war to be extensively documented with the new invention photography now noted expert William C. Davis compiles historic images including many newly discovered and previously unpublished to retell the story of the war between the states more than 2000 photographers plied their varying processes from 1861 to 1865 covering almost every aspect of the war and in every theater the Civil War in photographs presents more than 350 of these images they portray the soldiers in camp the battlefields the ships and navies the dashing cavalymen the big guns of the

artillery as well as the people at home capturing the bravery destruction desolation and self sacrifice that define this war in ways no words can match

joseph bell mcbride photographed the gallipoli campaign this book reproduces his original photo album featuring 172 photographs of new zealanders at war this is what the gallipoli campaign looked like through the eyes of one young man these are the people this is the landscape this is the war these are the soldiers we will remember them
