richard strauss is a composer much loved among audiences throughout the world both in the opera house and the concert hall despite this popularity strauss was for many years ignored by scholars who considered his commercial success and his continued reliance on the tonal system to be liabilities however the past two decades have seen a resurgence of scholarly interest in the composer this companion surveys the results focusing on the principal genres the social and historical context and topics perennially controversial over the last century chapters cover strauss s immense operatic output the electrifying modernism of his tone poems and his ever popular lieder controversial topics are explored including strauss s relationship to the third reich and the sexual dimension of his works reintroducing the composer and his music in light of recent research the volume shows strauss s artistic personality to be richer and much more complicated than has been previously acknowledged

the contributions to this handbook bring together a full length study of elektra in english the volume examines the many facets of one of richard strauss s most

complex operas first p e easterling surveys the mythological background while karen forsyth discusses hofmannsthal s adaptation of his sources the second part brings the music to the fore derrick puffett offers an introductory essay and synopsis arnold whittall considers the tonal and dramatic structure of the composition tethys carpenter explores the musical language of the work in detail with special focus given to part of the klytaemnestra scene the third part of the volume offers two contrasting critical essays carolyn abbate provides an interpretation informed by her recent work on narrative and robin holloway analyses strauss s orchestration of the opera the book also contains a discography and an appendix of excerpts from the strauss hofmannsthal correspondence

i know what i want and i know what i meant when i wrote this after all i may not be a first rate composer but i am a first class second rate composer these words were addressed by richard strauss himself to the royal philharmonia orchestra during rehearsal this was in 1947 when sir thomas beecham to whom the author was then associate conductor had organized a strauss festival which strauss had come to london to attend everyone writes the author was agog to see this legendary figure from the past many of whose works predominantly the earlier ones are as much part of the classical repertoire as for example the brahms symphonies was he really still alive strauss s remark was not false modesty continues the author but neither is it by any means the whole truth don juan don quixote and elektra are indeed the products of a first rate composer but scarcely die frau ohne schatten and sinfonia domestica in fact for two or possibly even three periods in his career strauss rose to heights of supreme genius only to fall back in between on merest talent a first class second rate composer is a fair assessment for a certain part of his creative life but certainly cannot stand as an overall judgement on one of the world s greatest musicians this paradox is the theme of my book the first volume takes strauss s work up to and including der rosenkavalier which may legitimately be regarded as the climax of his career as well as convenient half way mark the mass of songs however together with a number of smaller choral and instrumental works of an occasional nature has been held over from a volume which threatened to become far too long and cumbersome they are dealt with as a whole in volumes ii and iii a critical commentary on strauss whose almost inexhaustible flow of easily assimilated tunes went hand in hand with epoch making discoveries of new musical means and heroic flights into the music of the future has been long needed the author now provides it adding a wealth of knowledge to musical history he also examines the literary sources from strauss s inspiration both for the operas and the tone poems from dust jacket

dietrich von hildebrand widely regarded as one of the great catholic philosophers of the 20th century is well known for his numerous books but until this present work not much has been known of his remarkable and inspiring life written by his wife alice also a highly respected catholic thinker this is a fascinating moving and at

times gripping account of a truly great man of the church who suffered much for the faith based on a very long letter Dietrich wrote to his wife late in his life it tells his story from his glorious youth with a unique intellectual and cultural formation his conversion to Catholicism his great passion for truth and beauty his extensive writing on Christian philosophy and theology and his steadfast determined opposition to Nazism that made him a marked man who miraculously escaped execution a powerful biography of a relentless fighter against injustice a devoted son of the church a man who had the soul of a lion illustrated

Richard Strauss the man and his works by Henry Theophilus Finck first published in 1917 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

Veiling is a globally polarizing issue a locus for the struggle between Islam and the West and between contemporary and traditional interpretations of Islam this book examines the vastly misunderstood and multi-layered world of the veil it explores and analyzes the cultures politics and histories of veiling

and other works that hold the stage to this day his brilliant tone poems for orchestra include such staples of the repertory as Death and Transfiguration Don Juan Ein Heldenleben Till Eulenspiegel's merry pranks and also Sprach Zarathustra source of the famous sunrise music used in the film 2001 a distinguished composer of songs chamber music and ballets as well Strauss was also one of the outstanding conductors of his time directing opera companies in

concert programs seasons performances lists of guest conductors soloists and works performed etc
