four short stories set in the united states reflect the suffering and tragedy in human existence

this book shows how the silence of working class women in american culture is constructed and reinforced in photographs by dorothea lange and marion post wolcott and in writing by meridel le sueur nevertheless using work by esther buble and tillie olsen to suggest

how working class female identity might be represented in more complicated ways silent witnesses also reveals a cultural and political context where the creative and intellectual power of individual working class women can be fully expressed

includes 13 p of page proofs from the new world writing version of olsen s short story tell me a riddle stapled to blue paper and emended by olsen changes are both holograph and typed some pages contain notes on the verso of the blue paper emendations on 16 p total the page proofs are accompanied by a typed letter 1 p to olsen from dorothy m mckittrick head of the permissions department at doubleday asking for olsen s permission to include tell me a riddle in prize stories 1961 the o henry awards olsen has signed this form in black ink dated it august 5 1960 and noted in red ink that her permission is granted providing corrections attached are made this letter is accompanied by a typed list 1 p summarizing olsen s required changes the list has pencil annotations probably made by printers at doubleday following the page proofs is a typed letter signed 1 p from olsen to henry volkening her literary agent dated aug 24 1960 telling him that she has more changes to send to doubleday the letter is accompanied by a typed list 1 p of five additional changes

contrary to previous studies of tillie olsen s writing tillie olsen and the dialectical philosophy of proletarian literature analyzes the impact of one of the most important philosophies of the last century dialectical materialism on the form and content of olsen s fiction by revealing the unconceptualized dialectics of olsen s work and its appreciation by scholars and casual readers this study achieves a dialectical synthesis that incorporates and extends the insights of and about olsen in terms of dialectical materialism by foregrounding olsen s dialectical approach it explains and largely resolves apparent contradictions between her marxism and feminism her depictions of class race and gender the literature of her earlier and later periods and her use of realist and modernist literary forms and techniques consequently this project makes a case for the importance of olsen s marxist education during the red decade of the 1930s and within the u s proletarian literary movement

the encyclopedia of women in world history captures the experiences of women throughout world history in a comprehensive 4 volume work although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history the past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the western world but across the globe historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region they have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected the oxford encyclopedia of women in world history benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and

demographic changes the encyclopedia contains over 1 250 signed articles arranged in an a z format for ease of use the entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the egyptian uprising and the paris commune womens and gender studies and topics in world history that include slave trade globalization and disease with its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

a collection of works both fictional and non fictional gathered together here for the first time

provides a chronology bibliography and selected criticism of olsen s writings over the past sixty years

a journal of women studies

this collection of four stories i stand here ironing hey sailor what ship o yes and tell me a riddle has become an american classic since the title novella won the first prize o henry award in 1961 the stories have become staples in literature classes they have been anthologized over a hundred times made into three films translated into thirteen languages and most important once read they live forever in the hearts of their readers

an index to 11 561 stories in 805 collections the fifth supplement has an author title and subject index part 2 lists collections and part 3 is a directory of publishers and distributors
