as an old hippie jesus freak i cannot help but question authority i have done so with established beliefs of major denominations i compare what denominations teach as sound doctrine and compare them to what the bible the sole authority teaches in reality for example hell is accepted and taught as literal fire and eternal torment when scripture actually reveals something opposite and totally different

the bible speaks of disclosure as a sign related to biblical knowledge many scholars continuously study

the book of daniel and many reveal the interpretations described in the book of daniel as direct signs given to the prophet from god jesus clearly revealed that there would be a time to keep watch this statement was significant but what did jesus most likely mean when he said keep watch it is likely he meant to pray be vigilant to keep awake of surrounding realities that are not dreams but real other interpretations offer keeping the belt of truth ephesians jesus was distinct when he told his disciples the following take heed of his prior warnings and look to the word of god watch for specifics signs we see in todays era often referred to as birth pains pray regularly and have sympathy and empathy to others helping the needy look to do his work and spread the good news of the gospel remember acts of faith and jesus teaching encourage the knowledge of end time prophecy jesus revealed prior to his resurrection the bible also speaks of a time when there would be great signs from heaven in revealing bible prophecy it is significant to examine gods plan according to the word of god a vision that was considered a natural event produced an event related to the past present and history

this excellent resource provides help for ministers who must plan their sermons not only according to the liturgical church year but also in response to the secular calendar of national holidays and public ceremonies and in response to the program calendar of local and denominational emphases individual chapters discuss preaching about racial relations family church and nation the global witness of the church work evangelism stewardship and giving thanks suggestions for sermons on each theme are provided as well

find the peace and hope that awaits you once you overcome your fears during times of uncertainty people are looking for answers to their fears as they see things like finances relationships and hope crumble around them but god doesn t intend for his people to live in fear he wants us to overcome fear and find peace even in the midst of the aftermath previous study guides on similar topics have helped women learn how to overcome their fears but none have answered the most important next question now what where do women go once they ve left fear behind what s the next step finding peace beyond your fears will help women find the peace and hope that god has planned for them

this book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time peacemaking is a core part of our christian discipleship just as we learn how to pray just as we learn how to love our neighbors just as we learn how to feed the hungry we can also

learn how to be peacemakers sarpiya believes that peacemaking is central to the christian faith and practice this book will serve as a guide that will offer a scriptural guide with practical stories and applications readers will be challenged by scripture to take the call to peacemaking into their communities the fact that numerous peace treaties have collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained durable peace the one place that one could look to for answers about how to move toward peace is within faith communities and sometimes not just one faith acting alone but working alongside other faiths in concert with other faiths taking an interreligious approach the highest of all mountains shows how sarpiya s christian peacemaking backed by the interreligious approach brings the monotheistic faiths together as they all agreed on one denominator to their faith s origin abraham
