olympic sports present a vivid examples of how to achieve world class performance through a special blend of management teamwork and individual performance this work aims to give leaders the world class skills and tools required to win in today's dynamic business environment

do you wonder how you can get your managers to step up and lead so they can reliably deliver high performance

outcomes do you want to improve your business bottom line by unlocking and releasing the enormous reserve of latent high performance leadership potential at all levels of your business do you want to create a workplace that supports people to perform at their best every day leadership takes away the mystique that often surrounds the art of leadership and delivers a fresh dose of optimism and a sense of real possibility to leaders everywhere peter o brien provides managers and executives at all levels with insights into why businesses perform below expectations and more importantly what can be done about it leadership is the answer for all of those leaders who have been struggling to find and activate the leadership light switch in the people who work for them in this book peter o brien examines in detail why what he calls high performance leadership is crucial to business performance why many businesses struggle to get the most out of their people the biology behind human behaviour and what this means for your workplace how to create a work environment that feels natural and safe and allows people to perform at their best why involving staff in the big picture leads to better outcomes the top ten skills every leader needs peter o brien is passionate about inspiring and enabling others to be better than they ever dreamed possible he has developed leadership programs in and for the military and at the age of 29 was one of the youngest ever peace time commanding officers in the raaf peter has been the organisational change management lead on a number of very large scale corporate redesign programs and went on to executive hr roles at westpac and executive operational roles at eds today peter leads the dynamic consultancy high performance leadership group peter o brien's astute observations here align with so many of my own learnings i particularly like the neuroscience insights on leadership as well as the practical way that peter brings his leadership lessons to life peter refers to his frequent interactions with people who have studied the key elements of being a great leader but show little track record of making big things happen he then provides a very practical series of action steps that show how to get to big ideas generate and take accountability and bring about high quality execution the hallmark of strong leaders i highly recommend this book roger eaton president kfc chief operations officer yum brands inc

the star model integrates intelligent planning with proactive doing to allow peak performance planning involves defining and communicating a strong strategy and sound tactics and doing is all about taking intelligent action and getting the desired results excelling in the processes of both planning and doing is what it takes to achieve star performance this leadership process begins with a strategy that defines purpose principles that establish the values that will govern our operation and a vision for the future that inspires passion it builds with a tactical plan that combines preparation planning and prioritization to set the course forward execution is achieved through action that involves practice persistence in the face of adversity and good old fashioned perspiration finally results are achieved and improved with patience a focus on productivity and honestly introspective probing that leads to corrective actions and improvements when all of these elements are in place properly communicated and focused on the same target the result is continually improving performance that makes the team shine like the star they were meant to be

shows how to make personal changes essential to accomplish powerful leadership

a top team needs top players but successful managers also know how to get the best possible performance out of every member of their team whatever their personality or skill set to build a high performance team you need to know your team members individually and be able to motivate them to work together to deliver the results you need this book will teach you the key skills you need to create develop and manage a high performance team and at the same time accelerate your career development

we usually spend more than 18 years in school studying memorizing and being tested on subjects that often don't apply in the corporate world even if some are valuable to conducting business effectively most educational institutions fall woefully short of preparing us for management causes action through authority leadership causes action through

alignment and especially not high performance leadership causes action through alignment and inspiration therefore it can take years to discover practice and master key elements of successful high performance leadership there are thousands and thousands of books about leadership and business and many of them are truly wonderful however most of them are the same as all the rest because they focus on famous people and their achievements or academic principles the tao of high performance leadership is different it is unique because it is about you and your path tao to high performance and success the format utilized offers the reader choices which distinguishes it not only from other books but also other readers whether or not you are a manager or consider yourself a leader or work at a large organization or small company you will be guided to make key choices regarding your customized curriculum your path rather than read lots of pages of didactic information that is rarely applied or retained our strategy for mastery relies on personal discovery and personal development you will be guided to ask three key questions to determine your individual focus what do you need to keep what are you good at and need to enhance what do you need to delete what barriers stop you what do you need to create what new attributes can you master your answers will determine which specific chapters apply to you this means you don't have to read the entire book unless you want to and allows you to learn quickly each chapter provides insights through distinctions quotes short stories challenges and even some examples of goals that allow you to practice your new knowledge and turn insight into mastery to become that rare high performance leader executives need new exciting thinking because if you always think what you've always thought and always do what you've always done you'll always get what you've always gotten and think what you've always thought combining new thinking with practicing new actions makes learning both useful and fun this in turn makes the journey to high performance leadership profound you will discover the possibilities of your powerful intention and the tools to manifest it today is the tomorrow you promised yesterday get started

learn the tools and approaches to achieve high performance be more strategic exceed target results and get noticed for superior leadership use the challenging question at the end of each chapter to enhance your understanding discover the simple yet effective principles and download online tools that high performance leaders use to develop people get fantastic results and have more fun at work

high performance leadership starts with mindset how to inspire teams and drive results is a comprehensive guide to understanding the psychology behind high performance leadership and how to cultivate the right mindset for success in this book victor nebeolisa explores the core principles that effective leaders use to inspire their teams drive results and achieve long term success the book begins by explaining the critical role that mindset plays in leadership nebeolisa shows how a leader s mental approach directly influences their decision making communication and ability to motivate others high performance leaders possess a mindset that fosters growth resilience and continuous improvement and this book provides readers with the tools to develop that mindset throughout the book nebeolisa outlines practical strategies for inspiring teams creating a culture of excellence and delivering results even in the face of adversity he covers topics such as building trust setting clear expectations providing meaningful feedback and fostering a sense of accountability within a team the book also emphasizes the importance of emotional intelligence self awareness and authenticity in leading teams effectively high performance leadership starts with mindset is a must read for anyone in a leadership role who wants to elevate their leadership game inspire their teams to achieve great results and build a lasting legacy of success
