the peoples of taiwan have been influenced by many different cultures and migrations throughout the island's history in the 20th and early 21st centuries especially it has been a stage for cultural and ethnic conflict not least because of the arrival of mainland chinese fleeing the chinese communist revolution the subsequent tensions between those who see taiwan as a natural territory of china and those who would prefer to see it remain independent have brought to the fore questions of what it is to be

taiwanese this book addresses the question of how taiwanese identities have changed after the taiwanization process which began in the 1990s it also examines the impact of this process on cross strait relations between taiwan and the people s republic of china after the return of the kuomintang to power after 2008 and the sunflower movement in 2014 the various contributors between them cover a range of topics including the waves of migration to taiwan changes of political regimes generational differences and social movements taken as a whole this book presents a nuanced picture of the patchwork of identities which exist in contemporary taiwan

this book presents a comprehensive account of the historical development of the charismatic movement in taiwan placing it within the context of taiwan s religious and political history judith c p lin unearths invaluable sources of the japan apostolic mission the full gospel business men s fellowship international formosa chapter and jean stone willans short stay in taiwan in 1968 lin describes and analyzes how the efforts of 1970s charismatic missionaries in taiwan including pearl young nicholas krushnisky donald dale allen j swanson and ross paterson shaped the theological convictions of later taiwanese charismatic leaders she also explores significant developments in the taiwanese church which contributed to the gradual and widespread recognition of the charismatic movement in taiwan from 1980 to 1995 lin offers a thorough treatment of history reconfigures historiography from a taiwanese perspective and challenges the academic circle to take seriously the taiwanese consciousness when engaging taiwan s history

examines the effects of the socio economic post war transformation on taiwan s political system environment religious structures the relationships between the sexes and the different ethnic populations a complex revisionist portrait of the country emerges

the christian faith presents a distinctive vision of last things that god in christ aims to reconcile the world to himself and through his spirit and a new people to set all things to right this good news is for all nations and peoples but for too long the christian doctrine of eschatology has focused on debates and arguments rooted solely in the western church in all things new leading theologians and biblical scholars from africa asia latin america and north america offer readers a glimpse of how christians around the globe are perceiving and describing the christian hope the result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church s vision of the eschaton

exploring the history of missionary translation of christian texts in east asia missionary translators offers a comparative

perspective between the features of east asian languages and the historical context of the translation focusing on the bible and christian theological works it looks at the intersection of linguistics translation studies and history this book discusses the real life challenges faced by missionary translators in producing christian texts in east asian languages students historians scholars and those interested in the study of east asian cultures or translation will find this book to be an insightful and invaluable resource

after decades of research activity chinese spoken language processing csdp has advanced considerably both in practical technology and theoretical discovery in this book the editors provide both an introduction to the field as well as unique research problems with their solutions in various areas of csdp the contributions represent pioneering efforts ranging from csdp principles to technologies and applications with each chapter encapsulating a single problem and its solutions a commemorative volume for the 10th anniversary of the international symposium on csdp in singapore this is a valuable reference for established researchers and an excellent introduction for those interested in the area of csdp
