race and employment in america 2013 first edition this bernan press first edition contains a convenient selection of information from the census bureau s equal employment opportunity eeo tabulation based on the american community survey the eeo tabulation highlights the diversity of the labor force and serves as the primary external benchmark for comparing the race ethnicity and sex composition of an organization s internal workforce and the analogous external labor market within a

specified geography and job category essential for any economic development official, regional planner, urban researcher, or college student. *Race and Employment in America* answers questions about the direction of the workforce in America by race and the professions that America's races are choosing. Occupations are displayed by individual states and metropolitan areas. *Race and Employment in America* is one of the most comprehensive printed publications on the civilian labor force by race. Researchers, college students, and data users can easily see the trends of the job market that are affecting the nation today. This edition includes a complete listing of detailed occupation data for the nation by race, sex, and Hispanic origin; listings of job categories by race, sex, and Hispanic origin for all states and metropolitan areas; a detailed list of the EEO tabulation's occupations including job descriptions and SOC occupation codes; occupation profiles for each race and Hispanic origin group showing fifteen occupation groups ranked by the number of workers; and the ten most selected detailed occupations of each sex, race, and Hispanic origin group. Figures showing visual images of the civilian labor force by race, educational attainment data by race, sex, Hispanic origin, and selected age groups; educational attainment level by race, sex, and Hispanic origin for detailed occupations; *Race and Employment in America* is a valuable addition for all academic and public libraries. *Race and Employment in America 2013* is a great companion to *Employment Hours and Earnings* and the *Occupational Outlook Handbook* available from BERNAN PRESS. Other BERNAN research and reference books include *County and City Extra*, *Annual Metro City and County Data Book*, *The Who, What, and Where of America*, *Understanding the American Community Survey*, *Places*, *Towns and Townships*.

provides updated key information including salary ranges, employment trends, and technical requirements. Career profiles include air traffic controller, bridge tender, charter boat captain, commercial pilot, and more.
