our 2006 monograph *tom kundig houses* was an instant critical and commercial success over the past five years seattle based kundig has continued his meteoric rise collecting numerous awards including the 2008 cooper hewitt national design award for architecture design *tom kundig houses 2* features seventeen residential projects ranging from a five hundred square foot cabin in the woods to a house carved into and built out of solid rock in his new work kundig continues to strike a balance between raw and refined and modern and warm creating inviting spaces with a strong sense of place the houses seamlessly incorporate his signature inventive details rich materials and stunning sites from the majestic northwestern forest to the severe high desert

architect tom kundig is known worldwide for the originality of his work this paperback edition of *tom kundig houses* first published in 2006 collects five of his most prominent early residential projects which remain touchstones for him today in a new preface written for this edition kundig reflects on the influence that these designs continue to have on his current thinking each house presented from conceptual sketches through meticulously realized details is the product of a sustained and active collaborative process among designer builder and client the work of the seattle based architect has been called both raw and refined disparate characteristics that produce extraordinarily inventive designs inspired by both the industrial structures ubiquitous to his upbringing

in the pacific northwest and the vibrant craft cultures that are fostered there

the definitive collection of residential work by celebrated contemporary architect tom kundig tom kundig is one of the most sought after architects working today known for his extraordinary houses that deeply engage with their surrounding environment based in the pacific northwest kundig s international portfolio includes homes built into rocky sites dynamic kinetic devices that open walls and roofs and even moving architecture that travels via railroad track spanning nearly four decades of design tom kundig complete houses presents 462 residential projects together for the first time this richly illustrated 600 page book is both a comprehensive overview of the architect s career to date and an intimate personal exploration of his creative practice the book invites readers to explore 38 of kundig s remarkable residences in depth each brought to life through original interviews with kundig portfolios of his hand drawn sketches and stunning photography beautifully designed with a striking cloth bound cover enveloped in a bespoke slipcase this monumental volume is an inspirational resource and testament to kundig s extraordinary vision as an architect

a seductive stylish compelling and authoritative assembly of vanguard small scale houses that tread very lightly in nature leading the way for architects homeowners and dreamers to rethink ways we can live reside and flourish architects have sought more and more to integrate residences into their settings minimally disturbing nature with houses that float on the water or up in the trees this book reveals 51 designs that bring their residences into nature even allowing the natural setting to enter the very walls with priority given to sustainability and carbon footprint each of the book s homes is carefully chosen for its innovative and seductive design approachable scale and stunning location whether cocooned within the earth itself or soaring high amongst the treetops surrounded by cooling waters or resisting the desert heat considerations of energy consumption can dictate a green roof in some cases while blending ever more fully into the environment gives the satisfaction of not existing in contradiction with the world a kind of escape to the original garden or more precisely a return to fundamental incontrovertible values the book s collection spans the globe from a remote bay on bruny island tasmania to an isolated beach in nicaragua or cabin perched above a fjord in norway today s architectural vanguard is represented as well as established firms working at the forefront of twenty first century design such as tom kundig of the seattle practice olson kundig and snøhetta from oslo with a wealth of photographs showcasing each house inside and out plus plans houses natural natural houses offers inspiration and tranquility

in rustic author and photographer bret morgan illuminates this much loved style giving us the definitive volume on the subject comprehensive in scope rustic visits twenty retreats that span the breadth of north america and over a century of architectural and social history they include consummate examples of traditional rustic architecture

including the ames gate lodge h h richardson s sublime pile of boulders in massachusetts camp topridge marjorie merriweather post s compound of drop dead rustic luxury in the adirondacks and the charles millard pratt house in southern california an exquisite arts and crafts winter home designed by greenie greenie as well as a varied and inspiring selection of contemporary homes that includes fortune rock george howe s striking modernist home on the coast of maine robert a m stern s nostalgic spruce lodge hidden high in the colorado rockies and ledge house peter bohlin s singular masterpiece of rustic modernism in the catoctin mountains of maryland book jacket

striking innovative and dramatically sited the twenty nine projects in tom kundig working title reveal the hand of a master of contextually astute richly detailed architecture as kundig s work has increased in scale and variety in diverse locations from his native seattle to hawaii and rio de janeiro it continues to exhibit his signature sensitivity to material and locale and to feature his fascinating kinetic gizmos projects range from inviting homes that integrate nature to large scale commercial and public buildings wineries high performance mixed use skyscrapers a visitor center for tillamook creamery the burke museum of natural history and culture and the wagner education center of the center for wooden boats among others tom kundig working title includes lush photography sketches and a dialogue between tom kundig and michael chaiken curator of the kundig designed bob dylan archive at the helmerich center for american research

world house now showcases thirty houses from around the world that present compelling evidence for a new modernism however unlike the international style that preceded it this new architecture integrates the unique features of the physical and cultural landscape into the universal language of modernism the result is a rich and varied collection of works that are similar in their attitudes and approaches to building but are diverse stylistically with houses by tadao ando in the united states and glenn murcutt in australia alongside exemplary works by rising international architects world house now presents a comprehensive survey from previously overlooked countries such as india south africa and china as well as australia japan and brazil where modernism has deep roots through photography of interiors and exteriors clear plans and sections and individual essays and captions for each project the thirty extraordinary houses present evidence of a powerful direction in contemporary residential architecture book jacket title summary field provided by blackwell north america inc all rights reserved

presents a guide to one hundred iconic houses from the thirteenth century to the present day

Eventually, **Tom Kundig Houses** will agreed discover a further experience and deed by spending more cash. still when? attain you take that you require to acquire those all needs following having significantly cash?
