a carefully organized step by step introduction to the books of the biblical prophets the men behind them their message and their relevance for today

now in a second edition this volume introduces college students and adult learners to biblical stories about the prophets as well as the theology and teachings of each of the prophetic books in the bible there are discussion questions at the end of each chapter

prophets stories is written for both children and adults in the west to read at home families can read the daily stories together and discuss the beautiful personality and kindness of the holy prophets adam noah abraham mores jesus mohammad and all the prophets peace be upon them and take away lessons that will last a lifetime the contains a lot of brief yet informative articles about different prophets of islam

writing in a conversational rather than a scholarly tone paul redditt assumes little or no prior knowledge of the old testament as he presents and introduces the major and minor prophets in the canonical order of the english bible the chapters of redditt s introduction to the prophets discuss the place of each book in the canon the literary setting of each book their structure integrity and authorship the main genre s in each special features of each book basic emphases of each book and problems theological literary or historical raised by a study of the book among other things redditt demonstrates that the prophets were both foretellers and forthtellers and he argues that the old testament prophets developed the concept of monotheism each chapter ends with questions for further reflection concluding the volume are a helpful glossary and several indexes

this original and fruitful approach to the study of the prophets takes seriously the questions of both exegesis and hermeneutics

in this thorough introduction to the prophets of ancient israel o palmer robertson captures the passion and purpose of their extraordinary writings he writes a new covenant a new zion a new temple a new messiah a new relation to the nations of the world these were the expectations designed to create future hope for the people who would have to endure the trauma of deportation from their land after examining the origins of prophetism the prophets call and their proclamation and application of law and covenant robertson devotes special attention to the biblical theological significance of the exile and restoration viewing those experiences through the lens of several prophets he draws our focus to the sufferings and glorious restoration of god s people in christ the christ of the prophets serves as a sequel to the christ of the covenants a work already regarded by many as a classic in the field of biblical theology the unparalleled outpouring of inspired literature through the prophets came at a period

of history that invites comparisons to our own their proclamation to their contemporaries and predictions regarding israel s exile restoration and coming messiah have timeless applications students of biblical theology will especially appreciate robertson s analysis of these prophecies as well as his solid alternative to liberal and neo orthodox interpretations today book jacket

this important work on prophecy and the prophets in ancient israel is the product of an impressive international team of twenty three outstanding scholars most of whom are well known established names while a few are able younger scholars beginning to make their mark on the field the volume approaches its subject from a remarkable number of different angles with essays ranging from israel s ancient near eastern background right through to the new testament but the majority of essays concentrate on prophecy and the prophets in the old testament particular attention is paid to the following subjects prophecy amongst israel s ancient near eastern neighbours female prophets in both israel and the ancient near east israelite prophecy in the light of modern sociological anthropological and psychological insights deuteronomy 18 9 22 the prophets and scripture elijah elisha and prophetic succession the theology of amos hosea and the baal cu all the contributions previously unpublished arise from papers delivered at the oxford old testament seminar

provides a thorough introduction to the old testament prophetic books considering their historical and social setting while surveying the important theological themes

without question the most important study of the prophets for more than a generation which can be read and appreciated by ordinary people it will make the prophets live anew for every reader and it may be strongly commended as superb value for money h h rowley the present book is a bargain the fresh treatment the new insights and the flow of information justify its purchase g henton davies this is a great book which opens up vast tracts of unsuspected territory church quarterly

wood focuses on the prophets daily circumstances to illuminate their message covers both the writing and non writing prophets

including miriam and elijah

taking a refreshingly original approach to a familiar topic this authoritative study examines the biblical prophets and jewish and christian interpretations of prophecy beginning with a broad discussion of the phenomena of prophecy and the prophetic literature sawyer explores the work of old testament prophets ranging from moses to huldah and daniel to malachi in marked contrast to other studies he pays particular attention to legends about the prophets both canonical and apocryphal many of which have been considerably more influential in the history of western civilization than the prophets original words he concludes with a chapter on jewish christian and muslim interpretation and the matter of the fulfillment of prophecy

this is an attempt to describe the lineage of a number of prophets together with their brief background information and their sons etc many books have been written on the history of islam history of the prophets their biographies and the biography of prophet mohammad pbuh etc however no attempt has ever been made that tells the reader as to where all the prophets came from who was their father grand father etc most importantly no endeavour to depict their lineage by connecting the prophets to the first man on earth prophet adam pbuh
