governments around the world have had to deal with the ufo phenomenon for a good part of a century how and why they did so is the

subject of ufos and government a history that for the first time tells the story from the perspective of the governments themselves it s a perspective that reveals a great deal about what we citizens have seen and puzzled over from the outside for so many years the story which is unmasked by the governments own documents explains much that is new or at least not commonly known about the seriousness with which the military and intelligence communities approached the ufo problem internally those approaches were not taken lightly in fact they were considered matters of national security at the same time the story reveals how a subject with such apparent depth of experience and interest became treated as if it were a triviality and it explains why one government the united states government deemed it wise and perhaps even necessary to treat it so though the book focuses primarily on the u s government s response to the ufo phenomenon also included is the treatment of the subject by the governments of sweden australia france spain and other countries this large format fully illustrated book is the result of a team effort that called itself the ufo history group a collection of veteran ufo historians and researchers who spent more than four years researching consulting writing and editing to present a work of historical scholarship on government response to the ufo phenomenon michael swords was the primary author of the united states chapters the work was coordinated and edited by robert powell clas svahn vicente juan ballester olmos bill chalker and robert powell contributed country chapters jan aldrich was the primary content consultant with additional content consultation and writing coming from barry greenwood and richard thieme steve purcell was the primary photo illustration editor from the foreword by jerome clark while ufos and government revisits an often unhappy history the reading of it is far from an unhappy experience the authors eloquent intelligent sophisticated and conscientious provide us with the first credible comprehensive overview of official ufo history in many years most of the current volume deals with u s military and intelligence responses to the ufo phenomenon but it also features richly informative chapters that expand the story across the international arena if you re looking for an example of a nation that dealt productively with the ufo reports that came its official way you will take heart in the chapter on the french projects from here on every responsible treatment of ufos and government will have to cite ufos and government prominently among its sources this is the real story as accurately as it can be reconstructed in the second decade of the new century i expect to keep my copy close at hand and to return to it often while it cannot be said of many books ufo themed or otherwise this is among the essential ones stray from it at your peril

unseen threat uncovers the hidden history of government ufo investigations exposing the truth behind classified encounters and enigmatic phenomena this meticulously researched book presents a comprehensive account of the government s secretive programs revealing the astonishing findings and cover ups that have shaped our understanding of extraterrestrial life inside these pages you will

america s secret government is an archive of hightechharassment com and how state power will always win and do whatever it can to destroy you if you wrong think in society ever been honeypotted in a hotel and been told by the guard after spotting the led s about secret courts based on the district of london columbia or the act of 1871 where we are a corporation in the usa plus in other countries such as canada the csis gladly overvolts your stuff without a warrant in the usa we have direted scalar for that we all have cestui que vie 1666 act accounts while born on earth and go by ucc code which is based on vatican roman law one world government and fiat usury currency is nothing new martians started the god myth zionism freemasonry jewish italian crime networks run us 95 of les is freemasonry based

this book explores the long history of military encounters with ufos revealing hidden incidents of dogfights nuclear interference and mysterious confrontations with unidentified aerial phenomena military bodies across the world have encountered experimented with and even had combat with ufos or as the u s military now define them unidentifiable aerial phenomenon or uaps these observations and engagements have occurred since ancient times and on all continents different nations and cultures have had vastly different analyzes of the ufo uap phenomenon from the roman empire to nazi germany and the soviet union and communist china to the western democracies the ufo uap phenomenon has not diminished and has in fact grown in proportion in recent years and has now assumed the mantle of legitimacy in government circles the media and among the general public what is less well known or even concealed are the encounters that the military have had with ufos some of which have even proved fatal to the terrestrials concerned there were reported dogfights with ufos and german aircraft in the first world war and in the second world war reports of what became known as foo fighters became commonplace however it was after the war that ufo sightings increased exponentially amongst which was a dogfight with a mustang p 51 and a ufo in october 1948 and two years later for two consecutive weekends in 1952 ufos hovered over washington d c attempts were made by the u s air force to intercept the strange craft but were outrun by the ufos ufos uaps may have tampered with world nuclear forces including shutting down strategic missiles of the united states and conversely activating soviet icbms almost setting off an unordered by soviet authorities launching of atomic warheads against the united states ufos may also have returned fire against american military forces during the vietnam war sending projectiles back at patrol boats that had been fired by those military river craft at ufos hours or days before united states air force personnel including a lieutenant colonel also encountered ufos on the ground and in the air at rendlesham usaf raf base in the uk in 1980 ufos have played cat and mouse games with the latest fighter bombers of the united states navy since 2004 and these events have been captured on videotape and are verified to have occurred by the pilots themselves as readers will discover from the mass of evidence presented in this book it is no longer a question of whether ufos exist or not and that not only are such phenomenon an incontrovertible fact but that the united states has crafted plans on how to resist an alien invasion but is there any need for us humans to be concerned about the alien presence in the skies that surround our planet yes be very concerned

war famine and natural disasters these are the signs of the times that we live in today s headlines could have been pulled directly from the book of revelation in the bible the bible predicted that all of these events would occur in the years leading up to an event commonly known as the apocalypse ufo s are related to bible scriptures this information gives support thereof ufo sightings worldwide will become more prevalent near the end times as stated in chapter 3 pg 36 as quoted in printed ink as of june 2006 christians worldwide are well aware

of these facts and prophecies that predict and foreshadow the end times but what about the non christians the non believers whether you are a believer or not this book will point out and explain that signs of the end times that are so prevalent today it will answer the questions that many people ask themselves you will be made aware of not only what is going to happen and how it s going to happen but also most importantly when it s going to happen you will also learn what you need to do to prepare yourself for this event it s not too late there is still time for you to do what you need to do to prepare yourself this book is a last and final warning to mankind the evilness of mankind is what has brought us to this point in time murder mayhem sexual perversion and other crime has taken us down the road to ruin there is another road though a good road and it is possible to get on the good road before it s too late this book will paint a picture for you it will paint a picture of the past a picture of the present and a picture of the future this picture will help you to understand where we are today in present times and what we need to do to prepare for the future god is great and wonderful he has everything waiting for you and time is waiting for you i have been given a mission my mission is to set the record straight the record and the writings of the bible i am going to explain to you everything what the purpose of life is behind god s great plans and why we are in existence and why there must be another life you have a right to know everything i know that i believe which is the entire messages of my mission be told for everyone whose going to find out any way during and after the armageddon apocalypse when god does rule earth and after earth is under god s rules the message is we re living in the end times and mankind has set himself up for self destruction do you want to know the truth of mankind in life and where that life came from i m going to tell you the truth for i promise to tell you the truth and have been telling you the truth of what i ve been told and i believe that after i tell you these things that my main messages and mission will be completed as i promised years and years ago some fortythree years ago i made a promise to god and i m keeping it

from the new york times bestselling author a companion volume to the popular history channel series a young girl digs up a thousand year old humanoid skull from a cave in northern mexico but the skull contains no human dna an amateur videographer taking footage of lights over mount shasta california captures a giant floating triangle on tape it s not a plane it s not a helicopter what is it these questions and more are answered in ufo hunters book two using eyewitness accounts and information from footage never before seen on television author william birnes takes readers on the hunt for the real truth about flying saucers what they are and why they re here

the mystifying connection between the occult the new age movement and the ufo phenomenon from both a christian and objective perspective and through his unique approach the author reveals a complex and ingenious scheme that is rapidly unfolding as

the gnostic revival of the enlightenment witnessed the erection of what could be called the kantian rift an epistemological barrier between external reality and the mind of the percipient arbitrarily proclaimed by german philosopher immanuel kant this barrier rendered the world as a terra incognita suddenly the world out there was deemed imperceptible and unknowable in addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and god swiftly evaporated the way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the divine collectively these surrogates could be referred to as the beyond because they epistemologically and ontologically overwhelm humanity in recent years the beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world in turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a new man their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological singularity a superweapon and extraterrestrial gods all of these are merely masks for the same counterfeit divinity the beyond

ufo encounters beyond explores case histories of unexplained sightings close encounters abduction accounts and other strange phenomena

thousands of well documented reports of strange and baffling events without known causes grouped under the amorphous heading ufos are sufficient in the authors view to suggest that they merit serious scientific study it is their opinion that a scientific study seriously undertaken would reveal cause effect relationship for some possibly all of the phenomena that constitute the ufo enigma the accumulated evidence for the ufo enigma consists of reports from many parts of the world these reports contain at least nineteen categories of human experiences ranging from simple observations of strange lights to accounts of abductions by strange unknown beings most reports are from ordinary persons unable to identify a natural cause for what they have observed or experienced many of these are sufficiently well documented to form the basis for scientific studies the core of the ufo enigma is found in the thousands of challenging reports from highly intelligent knowledgeable persons with sufficient scientific expertise and experience to enable them to make clear distinctions between events with and without known causes these latter reports form the basis of this book s assertion that the ufo enigma can and should be studied scientifically this book is the authors attempt to provide an overview of the ufo enigma as a scientific problem and to suggest sources of information and methods for attempting to solve it

tales of alien abductions extraterrestrial visitations flying saucers and more cover

examining the nature of ufo evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of ufos the volume also brings together three bestselling authors david m jacobs budd hopkins and pulitzer prize winner john mack widely known for their writings on the controversial alien abduction phenomenon

the winter of 1979 in britain was a time of strikes and unrest fuel shortages and lay offs the winter of discontent this book is an extract from the hansard for 18 january when this debate took place their lordships debated the need of an international initiative in response to the problem of unidentified flying objects and there were fascinating speeches from noble lords and prelates uncovered editions are historic official papers now available in popular form
