liberated voices highlights major trends in contemporary artistic practice in south africa bringing together a cross section of paintings sculptures installations photographs and videos created since 1994 the exhibition focuses on young artists who represent the diversity of the new south africa through both their art and words the artists provide compelling insight into the dynamic transitional period in the immediate wake of apartheid these works also reflect on the changing political situation and the impact of the truth and reconciliation commission liberated voices shows that art can provide a vehicle for confrontations with personal histories as well as a source for understanding and reconciliation book jacket title summary field provided by blackwell north america inc all rights reserved

this book considers the key critical interventions on short story writing in south africa written in english since the year 2000 the short story genre whilst often marginalised in national literary canons has been central to the trajectory of literary history in south africa in recent years the short story has undergone a significant renaissance with new collections and young writers making a significant impact on the contemporary literary scene and subgenres such as speculative fiction erotic fiction flash fiction and queer fiction expanding rapidly in popularity this book examines the role of the short story genre in reflecting or championing new developments in south african writing and the ways in which traditional boundaries and definitions of the short story in south africa have been reimagined in the present drawing together a range of critical interventions including scholarly articles interviews and personal reflective pieces the volume traces some of the aesthetic and thematic continuities and discontinuities in the genre and sheds new light on questions of literary form finally the book considers the place of the short story in twenty first century writing and interrogates the ways in which the short story form may contribute to or recast ideas of the post apartheid or post transitional the perfect guide to contemporary short story writing in south africa this book will be essential reading for researchers of african literature

originating from a conference in pennsylvania in 1980 this is an updated collection of 14 well researched essays on the southern african region the main focus is on the apartheid regime in south africa and its economic military and political impact on the neighbouring states there is one article dealing specifically with namibia john seiler south africa in namibia p 165 189 but the contributions on sadcc southern africa in the world system and south africa s relations with

mozambique and angola also throw light on questions highly relevant to the future of namibia  
eriksen moorsom 1989

this book provides a comprehensive overview of printmaking in south africa replacing the now  
outdated monograph by f l alexander it discusses historically artists who made major  
contributions within each of the printmaking techniques giving great detail on contemporary  
south african art it is also a handbook on artists working in various mediums and gives full  
explanations of each work chosen for the exhibition at the 1998 south african national arts  
festival lists 785 known printmakers born after 1900 and illustrates the work of 89 important  
artists it is an essential guide to this important aspect of south african art

change in contemporary south africa examines the intricate and often contradictory realities of  
south africa during a period of significant political and social tension the book explores the  
coexistence of apparent governmental stability marked by economic growth a strong coercive  
apparatus and sustained white political dominance with increasing signs of resistance including  
labor strikes student unrest and growing international condemnation by presenting a range of  
interpretations from authoritarian entrenchment to the potential for revolutionary change it  
delves into the complex dynamics that shape south africa s trajectory structured across sections  
that analyze internal community dynamics instruments of white domination and the country s  
external relations the book scrutinizes the processes of change within south africa s unique socio  
political framework with contributions from scholars spanning diverse disciplines and perspectives  
it raises critical questions about the future of racial inequality the potential for redistribution of  
power and wealth and the role of internal and external pressures in shaping outcomes this  
comprehensive yet nuanced analysis offers a valuable lens for understanding a society on the  
brink of transformation with implications that resonate far beyond its borders this title is part of  
uc press s voices revived program which commemorates university of california press s mission  
to seek out and cultivate the brightest minds and give them voice reach and impact drawing  
on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship  
accessible once again using print on demand technology this title was originally published in  
1975

africa remix contemporary art of a continent features the work of more than 85 artists from 25  
countries on the african continent and the diaspora

an inclusive exercise in cultural analysis this book deals with the gravitas and folly of identity politics the boom of so called african art and the fetish and fascination with a global esperanto designed to provoke thought and feeling it is hoped that this collection of essays on south african art will reach a wide audience the book s strength lies in its diversity of focus and cultural frameworks it offers no defining system or divining rod rather it is hoped that this book will provide a healthy contribution to an already thriving debate regarding the value and purpose of contemporary art the on going significance of the decolonising project and the importance of art from africa in the global pantheon

the brooklyn museum brooklyn public library

a richly illustrated collection combining moving history with stunning contemporary art south african art now is the first book to document the role of art and artists in the evolution of today s post apartheid south africa artist and author sue williamson explores five decades of south african art from early political art in the 1960s during the apartheid years to the thought provoking works that grabbed the international art market s interest a generation later featuring the work of 90 artists and more than 500 color images and with an insightful foreword from nobel laureate nadine gordimer south african art now is a valuable resource for collectors curators and contemporary art enthusiasts
