the popular apologist and best selling author of catholicism and fundamentalism addresses fifty two of the most common misconceptions about the catholic faith that are held by many catholics and protestants drawing upon scripture and the catholic tradition he not only shows the logical errors in these positions but clearly spells out catholic teaching and explains the rationale behind frequently misunderstood doctrines and practices an excellent guide to what catholics really believe and why

in this meticulously researched book o connell makes the case that the catholic church is the only true church founded by jesus christ with chapters on the history teachings and practices of catholicism this book is a must read for catholics and non catholics alike seeking to understand the church s role in the world today this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

explores the contentious debates among black catholics about the proper relationship between religious practice and racial identity chicago has been known as the black metropolis but before the great migration chicago could have been called the catholic metropolis with its skyline defined by parish spires as well as by industrial smoke stacks and skyscrapers this book uncovers the intersection of the two authentically black and truly catholic traces the developments within the church in chicago to show how black catholic activists in the 1960s and 1970s made black catholicism as we know it today the sweep of the great migration brought many black migrants face to face with white missionaries for the first time and transformed the religious landscape of the urban north the hopes migrants had for their new home met with the desires of missionaries to convert entire neighborhoods missionaries and migrants forged fraught relationships with one another and tens of thousands of black men and women became catholic in the middle decades of the twentieth century as a result these black catholic converts saved failing parishes by embracing relationships and ritual life that distinguished them from the evangelical churches proliferating around them they praised the quiet dignity of the latin mass while distancing themselves from the gospel choirs altar calls and shouts of amen increasingly common in black evangelical churches their unique rituals and relationships came under intense scrutiny in the late 1960s when a growing group of black catholic activists sparked a revolution in u s catholicism inspired by both black power and vatican ii they fought for the self determination of black parishes and the right to identify as both black and catholic faced with strong opposition from fellow black catholics activists became missionaries of a sort as they sought to convert their coreligionists to a distinctively black catholicism this book brings

to light the complexities of these debates in what became one of the most significant black catholic communities in the country changing the way we view the history of american catholicism
