this book is a practical guide to the development and use of selection procedures for those who are concerned with human resource management but who are not necessarily specialists in personnel testing dr barrett explains how to improve the quality of the work force with the most modern techniques while avoiding unfair discrimination against minorities women older workers and the disabled he challenges myths that have grown up in the past 30 years which interfere with the use of valid and fair selection procedures topics include historical and legal background cognitive and non cognitive selection procedures validity and measuring and reducing adverse impact although he concentrates on title vii of the civil rights act there is special treatment of the americans with disabilities act and the age of discrimination in employment act clearly written and informal this book is every bit as professionally sound as his earlier book fair employment strategies in human resource management it removes part of the mystique about tests with many illustrations of good and bad practice besides being useful to human resource executives it is a valuable supplementary text for graduate and undergraduate courses in personnel management attorneys would also find it especially valuable because the author documents its point with citations to important cases and the the uniform guidelines

affirmative action continues to be one of the most hotly contested issues in america volatile and divisive the debates over its legitimacy have inspired a number of reverse discrimination suits in the federal courts like the landmark 1978 bakke decision most of these have focused on preferential treatment given racial minorities in johnson v santa clara however the central issue was gender not race discrimination and the supreme court s decision in that case marked a resounding victory for women in the work force johnson v santa clara involved two people who in 1980 competed for a dispatcher position with the transportation department of santa clara county california paul johnson had more experience and slightly higher test scores but diane joyce was given the job based on affirmative action an irate johnson sued the county and won only to have the decision reversed in appellate court that reversal was subsequently upheld in the supreme court s 1987 decision reaffirming that it was legitimate for employers to consider gender in hiring preeminent legal historian melvin urofsky proves an exemplary guide through the complexities of this case as he takes us from the workplace through the various levels of our federal court system balancing the particulars of the case with an overview of constitutional law and judicial process he creates a model legal history that is both appealing and enlightening for the non scholar urofsky is especially good at highlighting the fundamental human drama of this case and shows how johnson and joyce were simply ordinary people each with valid reasons for their actions but both ultimately caught up in legal and social issues that reached well beyond their own lives affirmative action on trial pointedly addresses the issue of sex discrimination and the broader controversy over the place of affirmative action in american society the latter continues to generate headlines like those that followed the 1996 supreme court decision to let stand a lower court ruling that race cannot be used as a determination for admission to academic programs more recently several states have even taken steps to end affirmative action altogether while it s hard to tell how such actions will ultimately impact affirmative action there s no question that the rulings in cases like johnson v santa clara will continue to guide and influence the debates both inside and outside the courtroom

more than 500 accurate practice questions and answers for the shrm cp and shrm scp exams this all new book arms you with hundreds of practice questions for the two new society for human resource management exams the shrm certified professional shrm cp and the shrm senior certified professional shrm scp exams all questions simulate those on the actual tests in content style tone format and difficulty and are accompanied by in depth answer explanations for the correct and incorrect answer choices shrm cp shrm scp certification practice exams is logically organized by exam domains allowing you to focus on specific topics and tailor your study to areas of strength and weakness two pre assessment tests one for each exam are also included to gauge your exam readiness and determine a course for self study written by a pair of seasoned hr professionals supplements shrm cp shrm scp certification all in one exam guide covers all shrm cp and shrm scp functional areas electronic content includes all of the questions from the book in a customizable exam engine practice answering questions by exam topic or take complete timed exams pdf copy of the book
