this book presents the collectively authored public service media and public service internet manifesto and accompanying materials the internet and the media landscape are broken the dominant commercial internet platforms endanger democracy they have created a communications landscape overwhelmed by surveillance advertising fake news hate speech conspiracy theories and algorithmic politics commercial internet platforms have harmed citizens users everyday life and society democracy and digital democracy require public service media a democracy enhancing internet requires public service media becoming public service internet platforms an internet of the public by the public and for the public an internet that advances instead of threatens democracy and the public

sphere the public service internet is based on internet platforms operated by a variety of public service media taking the public service remit into the digital age the public service internet provides opportunities for public debate participation and the advancement of social cohesion accompanying the manifesto are materials that informed its creation christian fuchs report of the results of the public service media internet survey the written version of graham murdock s online talk on public service media today and a summary of an ecomitee com discussion of the manifesto s foundations

social enterprises are businesses with primarily social or environmental purposes designed to create value for the clients of the business and to reinvest surpluses into the business or community they serve as social innovation laboratories and frequently collaborate with governments or other nonprofits to serve their communities and clientele the chapters in this book discuss the development and flourishing of social enterprises in eight countries around the world including china india great britain the united states and the czech republic specifically the authors cover how social enterprises are managed how they operate with their national and local governments and the contributions they are making to service delivery and social innovation different theoretical lenses are used to assess the roles that social enterprises play in the different countries and how they relate both to the nonprofit world and their governments this book will appeal to all students researchers and scholars who focus on the third sector social economy public policy and social enterprise as well as to intellectual social enterprise leaders and practitioners the chapters in this book were originally published as a special issue of public management review

this book is an authoritative account of the establishment of the next steps agencies the greatest change in the uk civil service of recent years the saga is told superbly from the author s vantage point as a leading participant in helping to shape the change she reveals the pressures on and inside the civil service both for and against reform she illuminates the relationships between politicians and civil servants her wise advice on how they can collaborate constructively to deliver public services also draws on her worldwide experience as a consultant about governance in developing countries and is especially relevant to current concerns about reform of public services g w jones emeritus professor of government lse uk this book is essential reading for anyone who wants to understand why governments fail to deliver what they promise it is the authoritative insider s account of the next steps initiative under mrs thatcher by someone who was central to it her analysis is uncomfortable but her insights spiced with some nice anecdotes are as wise and relevant as ever her message for politicians and senior officials alike is uncompromising look at the job first and equip yourselves to do it properly or you will fail and the rest of us suffer thank goodness she has written it all down no one can say they weren t told lord wilson of dinton former cabinet secretary and now master of emmanuel college cambridge the continued failure to provide public services both to agreed standards and electorate expectations is one of the major problems of modern government drawing on the experience of government in the uk and beyond this book considers the ways in which public institutions have tried to adapt to meet new demands the author argues that there is a common inability to connect ideas and decisions between politicians and those responsible for managing public sector organisations and discusses in detail the initiatives launched in the uk to establish a new approach to management particularly next steps and executive agencies by analysing public sector management in a number of countries since the reforms of the 1980s this valuable book examines past problems and suggests future improvements to the ways in which public services should be managed including the development of relations between politicians and officials and ways to improve decision taking and management for government as a senior official in mrs thatcher s government the author describes in detail and from the inside the process of planning and

introducing executive agencies a major change in one of the largest governments in the world she emphasises the intense difficulty involved in getting agreement to change and to implement decisions discussing the problems of conflicting objectives between politicians and officials in dealing with the practicalities of managing large public sector institutions the uk experience of executive agencies has been influential across the world and in many countries this book describes how the uk system was devised and introduced this book will appeal to an international spectrum of academics and students especially those involved in public sector reform and public sector management and political decision taking it will also be of great interest to contemporary historians of the thatcher period and beyond as well as politicians and commentators concerned with government reform public sector management and the role of politicians
