authoritative and practical this book is co authored by neil shipman former isllc director it provides kknowledge and tools to help principals in training and practitioners apply the isllc and elcc standards in their schools each chapter contains a research based discussion and practical applications of the standard along with suggested activities assignments and case studies

leadership for green schools provides aspiring and practicing leaders with the tools they need to facilitate the design leadership and management of greener more sustainable schools framed by theory and research this text draws from the fields of sustainability science built learning environment and educational leadership to explain what green schools look like what role school buildings play in advancing sustainable organizational and instructional practices and why school leaders are greening their leadership sustainability can often seem like an unreachable utopian set of goals but this important resource uses illustrative examples of successful schools and leaders to show how establishing and managing green schools aligns with the work they are already doing to restore engaged learning within their schools and communities leadership for green schools is a unique and important resource to help leaders reduce the environmental impact of school buildings and immerse students in purposeful meaningful learning for a sustainable just future special features examples from award winning

schools and leaders best practices and illustrative examples throughout make whole school sustainability come to life and show how green leadership is a real possibility for the reader aligned with professional standards for educational leadership provides the tools necessary for leaders to advance sustainability goals while at the same time fulfilling the core purposes of their job end of chapter discussion questions valuable pedagogical tools invite personal reflection and conversation

for those pursuing a career in educational administration the third edition of this text offers a unique opportunity to engage in case analysis introducing 44 cases that represent real life situations in today s schools readers are provided with a case analysis framework to use as a tool for analyzing the cases and resolving problem s presented in each case new to this edition developing your leadership expertise activities provide readers with the opportunity to practice applying chapter content to the interstate school leaders licensure consortium isllc standards five new cases have been added addressing issues such as separation of church and state personal leadership development no child left behind fundraising and leadership attributes questions to research and consider have been revised to scaffold readers learning including higher order thinking questions and inquiry based activities hallmark features isllc matrix located on the inside front cover this matrix correlates the subject matter in the cases with the interstate school leaders licensure consortium isllc model standards case analysis framework this framework applied to each case provides a tool for readers to systematically process the case information categorize the data summarize the material and locate a root cause suggested reading list find located at the back additional references for research and information that apply to each case topic hanson is incredibly creative and brings additional breadth and depth to my introductory school leadership course the cases stand alone but also flow together to paint a picture of what ifs for aspiring school leaders casey graham brown ph d texas a m university commerce the author s writing abilities are well developed for the story telling genre each case seems to flow in a

natural manner that keeps the reader's interest the writer appears to be up to date professional and on top of current issues in educational administration this book would be a valuable resource in guiding classroom discussions and developing self awareness sue r abegglen ed d culver stockton college

this choice award winning author has teamed up with a national school resource expert to write a comprehensive book on teacher leaders everything you need to know regarding the leadership role of teacher leaders in school improvement managing change and improving learning are covered the book starts by reviewing some original research on the role of teacher leaders in schools and then addresses the skill sets needed by teacher leaders state and federal frameworks coaching for effective instruction selecting and mentoring managing change managing resources for student learning and school improvement features a comprehensive book covering all aspects of teacher leaders including original research on the role of teacher leaderseach chapter objectives are aligned with the new elcc isllcc tlec and intasc standards on accreditationmany federal and various state data sources are includedeach chapter contains a comprehensive case study and exercises for practical applicationprovides a blend of academic theory and practical perspectives on how to implement and execute changesseveral handy resources are included in the appendices

supervisors can use this hands on supervision model and practical tools such as exercises summary sheets and observation charts to improve teaching and learning through dialogue and collaboration

this comprehensive and practical text introduces your students to concepts and theories of educational administration it is unlike other texts which are structured in isolated units instead the topics in this book are connected presented in the context of the isllc standards which

reveal the real world of practicing school administrators

whatever your profession a common base of knowledge and standards of performance are required for admission to practice as an educator while it is true that the individual states administer actual licensure procedures they do so based on core standards established across states these case studies which cover a cross section of these core values are highly useful for people preparing to become educational leaders and for current practicing administrators

helping principals administrators and supervisors increase their knowledge and skills through concepts case studies and simulations this text examines key issues in school management and organization

equipping prospective educational leaders with the tools to understand isllc standards and develop the skills to put them into practice this problem based text transforms theory into practice through realistic scenarios patterned after those that appear on national examinations after presenting the two sets of standards that inform leadership and the organizations that develop them in the opening chapters practicing the art of leadership explores the full spectrum of educational leadership theories and their practical applications to actual classrooms and schools this book also includes end of chapter pedagogical features that encourage critical thinking as well as a companion website that includes a practice performance assessment the new third edition of this text has been expanded to include features that encourage active student participation and involvement with the text an additional scenario based exercise has been added to the end of each chapter along with an updated suggested reading list and website list that both aid in further student learning and research two new appendices have also been added appendix b includes a standards chart of each state s individual standards while appendix c offers exam practice for the school

leader licensure examination
