the stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination many will remember the goings on at such earnest establishments as tom brown s rugby st dominic s greyfriars the chalet school malory towers and linbury

court in the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these moral tales lost their appeal and the school story very nearly died out more recently however a new generation of compromised schoolboy and schoolgirl heroes pennington tyke tiler harry potter and millie roads have given it a new and challenging relevance focusing mainly on novels written for young people from morality to mayhem charts the fall and rise of the school story from the grim accounts of victorian times to the magic and mayhem of our own age in doing so it considers how fictional schools not only reflect but sometimes influence real life this captivating study will appeal to those interested in children s literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane

featuring close readings of selected poetry visual texts short stories and novels published for children since 1945 from naughty amelia jane to watership down this is the first extensive study of the nature and form of ethical discourse in british children s literature ethics in british children s literature explores the extent to which contemporary writing for children might be considered philosophical tackling ethical spheres relevant to and arising from books for young people such as naughtiness good and evil family life and environmental ethics rigorously engaging with influential moral philosophers from aristotle through kant and hegel to arno leopold iris murdoch mary midgley and lars svendsen this book demonstrates the narrative strategies employed to engage young readers as moral agents
