*what is available in accessible literature terms is very limited the information that tends to be provided to those affected by addiction is often dated includes over labelling and is based more on tradition than on sound evidence what we know now about the nature of addiction is much more developed and this information is not very accessible to the general public this book is produced to address this lack of information or indeed misinformation and also to be of help for the many families that struggle with addiction of one kind or another it is also an attempt to bring a greater and more accurate insight into the nature of addiction so as to help to guide people through this issue that often reaches epidemic proportions grandiose as this may sound it is a small attempt to at least make this information available so that hopefully if somebody wants to find it it is generally accessible additionally this is also aimed at health care professionals to give a more core perspective on the nature of addiction most literature on addiction tends to be married exclusively to one school of thought or another it can be very difficult to think outside of a framework that has been taught or outside of a professional context this book is an attempt to depart from that and provide a fresh look and perspective on this phenomenon*

*inside my new book sex addiction handbook signs symptoms effects treatments i break down the facts about sex addiction into a simple to understand and easy to follow handbook that anyone can use to understand sex addiction its causes complications of sex and sex addiction treatments inside my sex addiction handbook you will learn about the following aspects of sex addiction what sex addiction is how sex addiction starts the effects of sex addiction complications associated with sex addiction identifying signs of sex addiction how to tell if someone is addicted to sex sex addiction facts treatment options for sex addiction plus so much more let me help you understand sex addiction and guide you through the process of not only understanding the condition but how treatment and ongoing support can help reduce and even cure sex addiction with long term results*
