as an interpreter of japan to the west lafcadio hearn was without parallel in his time his numerous books about that country were read with a fascination that was a tribute to his keen powers of observation and the vividness of his descriptions today

even though japan has changed greatly from what it was when he wrote about it his writing is still valid for it captures the essence of the country an essence that has actually changed a good deal less than outward appearances might suggest in a word the japanese character and the japanese tradition are still fundamentally the same as hearn described
