a fun book filled with practical advice on how to access the adult side of the internet alt sex net combines practical how to information with detailed listings of the numerous adult resources available on the net it offers complete coverage of all the topics other internet books shy away from although filled with all the necessary technical detail it is written in a fun and enjoyable style

this exciting and innovative book assists health practitioners in understanding the sexual diversity that now occurs in therapeutic consultations the internet with its anonymity and easy accessibility to all forms of sexuality and sexual behaviour including cybersex has enabled individuals to be more open and explorative in their sexual repertoire than ever before therefore therapists can find themselves working with clients presenting issues of sexual diversity and sexual offending with the latter mistakenly being confused as synonymous with the former with this book researchers and clinicians have the opportunity to explore aspects of diverse sexual practice with which they may be unfamiliar this allows them to have confidence in understanding the issues being addressed in the consulting room and to know when the client may be crossing a line into illegal sexual behaviour in this way the method of therapy offered can be both more appropriate and more beneficial for the diverse lifestyles encountered in contemporary society

pierre nora's concept lieux de mémoire realms of memory has become arguably the most significant academic point of reference when discussing processes of nation building and their interconnectedness with history and collective memory although his theory has acquired popularity well beyond its application to the french context his influential seven volume series 1984-92 is not without its own shortcomings and failures which have only occasionally been exposed over the last two decades it is not until the recent publication of postcolonial realms of memory liverpool university press 2020 that we see an expansive critique of nora's own selective memory our project seeks to continue challenging nora's approach and france's national narrative by providing space to examine queer lives cultures and memories we contend however that those related to queer experiences within france's collective memory have almost never been addressed queer realms of memory is the first book length study to question nora's lack of engagement with queer french and francophone cultures and histories
