this book seeks to expose inconsistencies by so called christian leaders through one woman s unique story

the information that i have presented in these writings is possibly controversial to the belief of others in my search for bible truth i have derived from others many of the conclusions found within these biblical subjects with each subject i have insisted on positive proof by finding supporting scriptures that prove their meaning by doing extensive search of the scriptures i believe the things written here are closer to bible truth than what others have found i was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the christian churches i have tried to keep an open mind about those things that i have heard from the many ministers of the churches that i have attended i have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in anothers hands i have come to believe there are many false ideas being taught by those ministers of the christian belief i believe those ministers are sincere with their teaching but i also believe they in many ways have it wrong i have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch i feel strongly that each one of us is responsible for our own salvation by hopefully getting it right the things i have written are my opinion and one must decide upon reading if it agrees with your understanding for many years i have done extensive study of the scriptures and believe i have found a more truthful understanding of those scriptures i believe in what i have found so strongly that i feel i must tell others

at my birth in norfolk virginia september 24 1938 my mother june prayed i would become a teacher or minister now at 72 years of age after 45 years as a pastor teacher and missionary i can thank her for her prayers for they were fulfilled beyond her most hopeful dreams i look back on 60 years of biblical studies beginning when i first completed reading the king james bible at the age of 12 i have been in love with

the scriptures and reading writing in general and always wanted to publish a new edition of the new testament

scripture based denial of the doctrines of the jehovah s witnesses
