the political handbook of the world provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide the updated 2018 2019 edition will continue to be the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup compiling in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system it also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and un agencies this comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including elections across europe referendum in ireland rohingya genocide in myanmar the venezuelan dictatorship the renaming of swaziland to eswatini qatar diplomacy changes historic meeting between the united states and north korea establishment of a new governing coalition in liberia

the aim of this thesis is the interpretation and analysis of religious parables written by a samoan pastor of the london missionary society in the early 1860 s the approach adopted is essentially a hermeneutic one involving linguistic analysis at three different levels semiotic word semantic sentence and text hermeneutic ultimately hermeneutics concerns the reference of the text or the world that the text reveals the texts being

considered here are labelled as tales parables and words but i refer to them collectively as parables because they are narratives which convey christian teachings m allegorical form chapter 1 provides a theoretical discussion of hermeneutics and linguistic analysis as well as some biographical facts about the texts author penisimani and the history of his writings chapters 2 and 3 give a historical background to traditional samoan culture and the introduction of christianity to samoa chapters 4 5 and 6 contain examples of penisimani s parables with explanatory introductions and commentaries the final chapter is devoted to a detailed analysis of the structure of the parables and the way in which this structure contributes to the overall meaning of the texts which is what i call the author s world view or ideology this overall meaning constitutes the doxa of the texts this may be construed as the most important meaning of the texts from the author s point of view but it is a meaning which is made possible only by the contributions rendered by the other parts of the texts the task of the analyst is to examine and relate these parts to each other that of the reader to consume the message of the parables unthinkingly as it were
