the newest generation of leaders was raised on a steady diet of popular culture artifacts mediated through technology such as film television and online gaming as technology expands access to cultural production popular culture continues to play an important role as an egalitarian vehicle for promoting ideological dissent and social change the chapters in this book examine works and creators of popular culture from literature to film and music to digital culture in order to address the

ways in which popular culture shapes and is shaped by leaders around the globe as they strive to change their social systems for the better

world war ii on film examines the war through the lens of 12 films the movies selected include productions made during world war ii and in each succeeding decade providing a sense of how different generations perceive the war world war ii on film provides a succinct yet well grounded appraisal of that war as seen through 12 representative films the book separates fact from fiction showing where the movies were accurate and where they departed from reality and places them in the larger context of historical and social events each movie chosen represents a particular aspect of the conflict including the air war over europe the condition of prisoners of war nazi atrocities and the british evacuation at dunkirk unlike most histories of hollywood during world war ii or the genre of war movies world war ii on film examines in depth the relation between the depictions of events beliefs attitudes and ways of life as seen on film with reality as documented by historians or recorded by journalists or eyewitnesses to the war the volume will appeal to high school and college readers as well as general interest readers and film buffs

jump into the cockpits of fighter aircraft from wwi to modern day incredible photography of the mig messerschmitt tomcat and many more
