the second world war is a war of the modern world in terms of technology and firepower airplanes tanks and fully automatic weapons make their appearance battles in both europe and the pacific give this fight between nations a global scope will you live through the attack of stalingrad as a young russian commander experience the invasion of okinawa as a u s pilot or infantryman fight in the battle of the bulge a major turning point in the war you choose offers multiple perspectives on history supporting common core reading standards and providing readers a front row seat to the past

the definitive must have military history of world war ii spanning 1942 until the end of the war packed with the same expert analysis exclusive tactical maps unique graphics and historical images used by the united states military academy at west point to teach the art of war to its own cadets since its founding west point has taught its cadets the history of warfare and since 1847 it has done so through a singular text the west point history of warfare that text has been updated repeatedly and now through a unique partnership with west point graduates the west point history of warfare has been completely rewritten volume 1 concluded with the midpoint of world war ii in 1942 which is where this latest edition begins covering all aspects of the war in chapters such as strategic seapower and airpower by richard j overy the defeat of japan by robert w love jr the allies turn the tide by robert m citino and occupation demobilization and

assessing victory by steve r waddell as with previous volumes the west point history of world war ii volume 2 boasts rich full color illustrations with unique tactical maps created by expert cartographers in collaboration with west point s military historians as well as dozens of graphics uniquely created for this volume and hundreds of historical images many of which are from the west point archives authoritative compelling a goldmine for history lovers this essential resource belongs in the library of every serious student of world war ii reader s digest endowed book fund

a brave messenger pigeon enlists a group of heroic zoo animals to help him complete his mission in this thrilling informative read perfect for fans of the ranger in time and i survived series world war ii is raging across europe and the german army has their sights set on england messenger pigeon francis carries important notes back and forth between england and her allies and wants nothing more than to do his part for the war effort but when francis is injured on an assignment to deliver the most important message of the war one which warns of a coming attack on britain itself he finds himself stranded in the middle of the london zoo with no way to complete his mission ming the world famous panda has so far managed to avoid being caught up in the war but that s getting harder and harder to do as the zoo suffers under dwindling food rations and german air raids threaten the city every night when francis lands in ming s enclosure she knows she can no longer stand by and do nothing enlisting the help of a kind zookeeper and a resourceful troop of monkeys ming fights to help francis recover his strength so that he can carry out his mission but when the war finally arrives in london threatening everyone in the zoo francis ming and the other animals must work together to save themselves and maybe even london itself

in the san francisco nexus in world war ii freedoms found liberties lost and the atomic bomb meza tells the story of important events in the san francisco bay area that have consequences still felt to date he traces the invention of the atomic bomb from a speculative design

for a nuclear weapon sketched on a chalkboard at Berkeley by theoretical physicist Robert Oppenheimer and helped made real by big science that was pioneered by his friend and colleague experimental physicist Ernest Lawrence during this time Black Americans migrated to San Francisco to escape the Jim Crow South finding new freedoms good jobs and a leader in a singer turned welder named Joseph James Meza shows how James fought for and won an end to segregation in his union taking a large step toward the civil rights movement at the same time Japanese Americans were forced from their homes by a tragically misguided presidential executive order upheld by the US Supreme Court illustrating the fragility of liberty in America these events continue to shape the world today

Each book focuses on an aspect of World War II through exploration of a wealth of primary source material a factual presentation of each topic is given alongside personal accounts and case studies giving the reader an insight into the period evidence is explored and assessed throughout each book which encourages children to debate and evaluate different sources

We are a gathering of extraordinary individuals who met under extraordinary circumstances coming of age in a small high school in Morocco decades ago we have something unique in common and decades later it has somehow never left us we are the Sultans of Thomas Mack Wilhoite Kenitra American High School be it the first graduating class of three seniors in 1956 to the last class of 1976 our experiences as students were sharply tuned to our environment we were not strangers in a strange land we were welcomed by the Moroccan people as if we were visiting relatives the sights sounds tastes and smells of Morocco were absorbed by hundreds of students no matter what span of years we were there we can all relate and laugh at similar experiences of our teenage years growing up in and around Kenitra Port Lyautey Mehdiya Beach Rabat and other nearby military bases within this book are the memories of those days as told by the former students and teachers of our school

from germany's invasion of poland in 1939 to the official end of world war ii on 2 september 1945 the everything world war ii book 2nd edition provides readers with detailed information about the war that left no nation untouched clear maps and vivid photographs bring this war to life and illustrate the major battles in the european pacific and african theaters the everything world war ii book 2nd edition is packed with exhaustively researched information revised and updated by two experienced historians this engrossing reference contains new information on the united nations world war ii memorials and a timeline of important dates there's no need to search through stacks of history books the everything world war ii book 2nd edition has all that readers need to learn about this fascinating time in history

in this one hour history book discover why 1943 was such a pivotal year as we uncover the main events of that year during world war ii the most lethal war of all times if 1942 was a crossroads then 1943 was the point of no return this year marked the true turning point of the war it was in this year that the axis forces were ejected from north africa and fascist italy was utterly defeated only to be propped back up as a puppet state of nazi germany germany itself was sent running from russia and japan was dealt severe losses in the pacific the emboldened allies became committed to forcing the complete and unconditional surrender of axis forces everywhere this book explores all of the nuances of 1943 in full in this short read one hour book you will know everything you need to know about what happened in 1943 during world war ii p scroll back up and click the buy now button located on the right side of this page

in this one hour history book discover why world war ii happened as we uncover the main events that lead to the beginning of the most lethal war of all times probably no historical period has been discussed and dissected as much as world war ii yet there is always something new to learn upon closer inspection events occurred at lightning speed during the war years and you almost have to take things on a day by day basis to take them all in that is why this book focuses solely on what transpired from 1938 to 1939 you'll get a

front row seat to the anschluss the union of austria to germany the sudeten crisis and the invasion of poland from the innuendos of the reich to the intrigues in british prime minister neville chamberlain's cabinet this book gives you the inside scoop on the lead up to world war ii did appeasement really cause it could it somehow have been prevented by taking a close look at the pivotal years of 1938 and 1939 this book endeavors to find the best answers to those often asked questions if you need a detailed examination of a much discussed subject this book is a great source of little known material about the road that led to world war ii this book is an easy read in less than an hour you will know everything you need to know about how world war ii started and the important event of 1939 scroll back up and click the buy now button located on the right side of the page

world war ii was the bloodiest and broadest conflict ever from 1939 to 1945 the world went to arms as leaders in germany japan and italy tried to dominate the globe learn how these brutal dictatorships were stopped and how the war changed the world

the remarkable story of a german born jew who escaped nazi germany only to return as an american commando on a secret mission behind enemy lines growing up in germany freddy mayer witnessed the nazis rise to power when he was sixteen his family made the decision to flee to the united states they were among the last german jews to escape in 1938 in america freddy tried enlisting the day after pearl harbor only to be rejected as an enemy alien because he was german he was soon recruited to the oss the country's first spy outfit before the cia freddy joined by dutch jewish refugee hans wynberg and nazi defector franz weber parachuted into austria as the leader of operation greenup meant to deter hitler's last stand he posed as a nazi officer and a french POW for months dispatching reports to the oss via hans holed up with a radio in a nearby attic the reports contained a goldmine of information provided key intelligence about the battle of the bulge and allowed the allies to bomb twenty nazi trains on the verge of the allied victory freddy was captured by

the gestapo and tortured and waterboarded for days remarkably he persuaded the nazi commander for the region to surrender completing one of the most successful oss missions of the war based on years of research and interviews with mayer himself whom the author was able to meet only months before his death at the age of ninety four return to the reich is an eye opening unforgettable narrative of world war ii heroism

this book explores the key decisions and events of world war ii in europe by comparing and contrasting allied and axis views of the important events it examines controversies and present a wide range of competing voices
