communicate some of what i have learned and to encourage anyone who may chance to read it this book will be a sharing of my philosophy of life and is meant simply to guide and help others i began this endeavor as a result of some major changes in my life and if i have any regrets today it is that it took so long for me to begin my voyage now that i have embarked i hope that my voyage will continue for the rest of my days life is a journey and each journey has a beginning a middle and an end whether you are at the beginning in the middle or nearing the end of your journey it is important that you recognize where you are once you know where you are you can reflect on where you've been or where you have come from and this knowledge will help you to see where you are headed we will all end up at the same final destination i prefer to think about it in terms of completing a cycle when i finish my journey i will be returning to the point at which i began my journey remember life is about living each day to the fullest life is about loving every creature and being that you come in contact with on your journey life is about learning all that you can possibly soak up as you travel on your journey life is about leaving a legacy how do you want to be remembered now begin your own fantastic voyage bon voyage
