this is a psychedelically drawn boldly political retelling of the 1950s graphic novel the eternaut whose imagery is still used as a symbol of resistance in latin america to this day the 1950s version of the eternaut a seminal argentine work is drawn in f solano lopez s

clean orderly comics art style in the 1969 reboot the darker tone is reflected in breccia's expressionist art in the eternaut 1969 the great world powers have forsaken south america to alien invaders and pov character juan salvo along with his friend professor favalli metalworker franco and neighbor susanna join the resistance in buenos aires with the knowledge that the outside world will not come to their aid through the lenses of these timeless characters the politically prescient creators ask readers to consider the implications of global domination by the great powers before it's too late

in 1656 diego velázquez leading figure in the spanish golden age of painting created one of the most enigmatic works in the history of art las meninas the ladies in waiting this graphic novel written and drawn by two of spain's most sophisticated comics creators examines its legacy as one of the first paintings to explore the relationship among the viewer reality and unreality it guest stars cano salvador dalí zurbarán and many others olivares's art moves from clear line to expressionistic from pen nib to brush strokes from one color palette to another as the ladies in waiting uses fiction to explore the ties among artists and patrons the past and the present institutions and audiences creators and creativity their combined efforts have garnered not only international comics prizes but the equivalent of the national book award in spain where the book has been a commercial and critical sensation

this collection explores the relationships between acts of translation and the movement of peoples across linguistic cultural and physical borders centering the voices of migrant writers and translators in literatures and language cultures of the global south to offer a counterpoint to existing scholarship this book examines translation practices as forms of both home building and un homing for communities in migration drawing on scholarship from translation studies as well as eco criticism decolonial thought and gender studies the book's three parts critically reflect on different dimensions of the intersection of translation and migration in a diverse range of literary genres and media part i looks at self translation collaboration and cocreation as modes of expression born out of displacement and exile part ii considers radical strategies of literary translation and the threats and opportunities they bring in situations of detention and border policing part iii looks ahead to the ways in which translation can act as a powerful means of fostering responsibility solidarity and community in building an inclusive multilingual public sphere even in the face of climate crisis this dynamic volume will be of particular interest to students and scholars in translation studies migration and mobility studies postcolonial studies and comparative literature the introduction of this book is freely available as a downloadable open access pdf at [taylorfrancis.com](http://taylorfrancis.com) under a creative commons attribution
