as the first comprehensive study of its kind this book analyzes the dynamics processes mechanisms and consequences of socio economic and political changes in singapore chinese society from 1945 to 1965 by employing a wide range of primary materials that have been rarely used before the authors have demonstrated the multi dimensionality and complexity of the chinese society in postwar singapore which was full of vitality and politically active they argue that the combination of the internal dynamism and the changing socio political framework shaped the nature and characteristics of the chinese community and its fundamental role in the making of modern singapore this study is essential reading for an understanding of not only the chinese politics and business networks in postwar singapore but also the historical evolution of the newly independent republic

this new book provides an accessible and wide ranging introduction to the main features

of chinese society drawing on a wealth of material the author offers a fresh understanding of a unique society that has undergone continuous transformation and upheaval throughout the twentieth century understanding chinese society looks in all its richness at the society with the largest population on earth in order to explore long term change and continuity the book examines china from pre revolutionary times to today s rapidly modernising society although the focus is on recent change particular attention is paid to china s cultural traditions and hierarchical relationships in familial and wider social settings and their fate in the modern world successive chapters investigate changes in the relations of rural and urban sectors of society in the structure of families in political and economic power in cultural hegemony education and the media and in patterns of social inequality a final chapter asks whether chinese society is becoming more complex and differentiated in the course of modernisation and considers recent debates on the growth of civil society and democratisation this book will be indispensable for anyone studying chinese society asian societies and comparative sociology

chinese society has seen phenomenal change in the last 30 years two of the most profound changes have been the rise of the individual in both public and private spheres and the consequent individualization of chinese society itself yet despite china s recent dramatic entrance into global politics and economics neither of these significant shifts has been fully analysed china may indeed present an alternative model of social transformation in the age of globalisation so its path to development may have particular implications for the developing world the individualization of chinese society reveals how individual agency has been on the rise since the 1970s and how this has impacted on everyday life and chinese society more broadly the book presents a wide range of detailed case studies on the impact of economic policy patterns of kinship changes in marriage relations and the socio economic position of women the development of youth culture the politics of consumerism and shifting power relations in everyday life

a lucid and fascinating work about chinese society and values fei s account of how china differs from the west is every bit as telling now as it was when this book was first published almost half a century ago orville schell what are the fundamental characteristics of chinese society and how does it differ from the west in from the soil china s foremost sociologist offered his insights based on fieldwork in china and residence in the west into this fascinating question vivid and clearly written it has long been a classic of chinese sociology widely read by chinese it is wonderful finally to have it available in english david arkush university of iowa

as china gains power economically politically and militarily and interaction between the chinese and people outside china increases it becomes more and more important that we understand the social factors that influence the daily lives of china s population this new introductory textbook is suitable for all students taking a course on chinese society it presents both historical and contemporary contexts and the latest available research findings with chapters covering many key aspects of life in china including religion social

policy and welfare the history and impact of the chinese communist party familial relationships ethnicity gender the media and the education system this textbook gives the reader a user friendly and comprehensive introduction to the most important issues affecting chinese society today it also includes handy pedagogical features such as a chronology of the people s republic of china further reading suggestions and related novels films and autobiographies armed with such a book readers will not only gain a deeper understanding of chinese society but a rewarding appreciation for the people cultures and social organizations of the world s most populous country written by a team of contributors from the uk china australia singapore and hong kong understanding chinese society is suitable for anyone studying chinese society chinese studies and asian sociology

this bestselling introduction to chinese society uses the themes of resistance and protest to explore the complexity of life in contemporary china an interdisciplinary and international team of china scholars draw on perspectives from sociology anthropology psychology history and political science and covers a broad range of issues topics covered include labour and environmental disputes rural and ethnic conflict migration legal challenges intellectual and religious dissidence opposition to family planning the newly revised third edition adds two new chapters on gender and the family and the reform of the hukou system thus providing a comprehensive text for both undergraduates and specialists in the field encouraging the reader to challenge conventional images of contemporary chinese society

there is growing interest in social transformation in contemporary china with much work published on the subject this book is different from other books in that it presents an overview of the work of chinese sociologists on how chinese society is changing it reports on a great deal of original research by leading outstanding chinese scholars including extensive fieldwork and large scale social change survey data and covers comprehensively the full range of aspects of the subject it assesses developments since the beginning of reform in china and provides overall a comprehensive understanding of china s social development and of the likely impact of future social changes on china

this book examines the social psychological legal and ethical impact perceived or proven that may result from advertising in the booming chinese market the book provides readers with an understanding of the two way relationship between advertising and chinese society major issues addressed include rising consumerism consumers attitudes towards advertising and reactions to advertising appeals cultural messages conveyed in advertisements gender representations sex appeal offensive advertising advertising law and regulation advertising to children and adolescents symbolic meanings of advertisements public service advertising and new media advertising and its social impact advertising and chinese society resorts to a variety of research techniques including content analysis survey experiment semiotic analysis and secondary data analysis the book will enhance the sensitivity of scholars and practitioners interested in

chinese advertising and its social ramifications

singapore's success story is essentially a people story singaporeans have good reason to celebrate the nation's golden jubilee with pride in the short space of five decades the country has moved from third world to first and its real gdp has grown by 40 times for this phenomenal progress credit must go to its people the republic's primary resource against all odds and amidst dire predictions singaporeans proved that a united and resourceful community could build a nation from scratch this book is dedicated to one segment of these singaporeans the chinese community in particular this collection of essays focuses on the chinese speaking members of the community whose many contributions are less familiar to those brought up on a strict diet of the english language

china's rapid economic growth modernization and globalization have led to astounding social changes contemporary china provides a fascinating portrayal of society and social change in the contemporary people's republic of china this book introduces readers to key sociological perspectives themes and debates about chinese society it explores topics such as family life citizenship gender ethnicity labour religion education class and rural urban inequalities it considers china's imperial past the social and institutional legacies of the maoist era and the momentous forces shaping it in the present it also emphasises diversity and multiplicity encouraging readers to consider new perspectives and rethink western stereotypes about china and its people real life case studies illustrate the key features of social relations and change in china definitions of key terms discussion questions and lists of further reading help consolidate learning including full colour maps and photographs this book offers remarkable insight into chinese society and social change

this title is part of uc press's voices revived program which commemorates university of california press's mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1961

the concept of civil society was borrowed from 18th century europe to provide a framework for understanding the transition to post authoritarian regimes in latin america and post communist regimes elsewhere this book asks whether this concept is useful for analyzing china

the routledge handbook of chinese culture and society is an interdisciplinary resource that offers a comprehensive overview of contemporary chinese social and cultural issues in the twenty first century bringing together experts in their respective fields this cutting edge survey of the significant phenomena and directions in china today covers a range of issues including the following state privatisation and civil society family and education urban and rural life gender and sexuality and reproduction popular culture and the media religion and ethnicity forming an accessible and fascinating insight into chinese culture

and society this handbook will be invaluable to students and scholars across a range of disciplines including anthropology sociology area studies history politics and cultural and media studies

analyses the mechanisms processes and actors producing a wide spectrum of social and cultural changes in reform china contrary to most literature that emphasize economic and political processes at the expense of chinese society the book argues for the centrality of the social in understanding chinese development
