this respected text for courses in multicultural or multiethnic education provides students the tools necessary to teach effectively in today s diverse classrooms pluralistic is defined as having multiple aspects or parts the classroom of today has students from multiple backgrounds cultures and races within those differing groups students have their own individual differences their home situations may be very different they may be from a different social class each teacher also comes to the classroom with their own cultural background and past experiences that will effect how they will handle different situations the goal of this book is to help students to apply what they have learned and in turn to prepare their students to live in our heterogeneous culture eight micro cultures that teachers may encounter in the classroom are examined in detail they are ethnicity and race class and socioeconomic status gender and sexual orientation exceptionality language religion geography age some of the features of the book are theabc news video insightsboxes that explore current issues in multicultural education today focus your cultural lens debatethat ask the reader to take a position on controversial school issues with for and against statements to consider and thepause to reflectfeature which lists questions and activities to promote self awareness and ownership of past experiences and how they may affect a teacher in the classroom thecritical incidentsfeature gives both real and hypothetical situations that occur in schools and encourage the reader to examine their feelings about them

despite the largest scale decentralisation of education since 1999 which broadly led to the marketisation of education it is not clear how school education responds to the multicultural realities of indonesian society and ethno religious conflicts creating multicultural citizens presents a comprehensive evaluation of contemporary education in the largest democratic muslim country in the world focusing on the ways in which education prepares citizens for a multicultural society it thoroughly examines the state religion community roles in the field of education in developing the indonesian people using a qualitative ethnographic methodology

the author presents six case studies of different schools including religious non religious state and private schools in two different provinces in indonesia it particularly explores evolving but contested theories of multiculturalism and multicultural education education changes and reforms in post suharto indonesia government policies for multicultural education and school curriculum school leadership for education for diversity roles of religious education in schools in nurturing multicultural beliefs values and attitudes extra curricular activities and tolerance students perspectives of multiculturalism and the ideal society the promising development of a pesantren islamic boarding school in establishing multicultural education it is the first book to explore how education in indonesia helps contribute to the creation of tolerant and multicultural citizens and is essential reading for anyone involved in indonesian education and international higher education

theory and practice of multicultural education a focus on the k 12 educational setting provides an in depth discussion of the principles and practice of multicultural education in the k 12 classrooms building on a theory of multicultural education as a learner centered pedagogy the book begins with a discussion of the learner and the educational process addresses the issues of culture worldview and their implications for the educational process the historical foundations of multicultural education as well as the practical steps to doing multicultural education in a k 12 classroom were discussed extensively with practical tips for teachers on how to do multicultural education in the k 12 setting

publisher description

this conceptually rich and empirically grounded book draws upon expertise from a panel of emerging and established international scholars to explore the institutionalization and effect of multicultural education on a global scale previous studies of multicultural education have largely ignored the significance of understanding the combination of multiple sociopolitical influences on multicultural education in both policy and practice filling this void this book sheds light on the two main reasons for taking a glocal perspective on multicultural education first children should be provided with meaningful learning opportunities to acquire the knowledge skills and attitudes necessary to live in a culturally and ethno linguistically diverse society where the distinction between the local and the global is becoming blurred second understanding both the global grammar and the local semantics of multicultural education helps researchers and policy makers grasp the whole picture of multicultural education as an evolving social construct and phenomenon this new book provokes a new round of discussion and research to expand and enrich our inquiry into cultural diversity and educational inclusion

multicultural education is a set of strategies and materials in education developed to assist

teachers in promoting democracy while responding to the many issues created by the rapidly changing demographics of their students multicultural education means to ensure the highest levels of academic achievement for all students it helps students develop a positive self concept by providing knowledge about the histories cultures and contributions of diversity groups multicultural education from theory to practice which includes the contributions of academics and researchers from two continents and 14 culturally challenged countries aims to provide a platform for multicultural education researchers to present new research and developments in the area the contributors to the book approach the foundations of multicultural education the political context of multicultural education classroom practices in multicultural education and language education in a multicultural context this volume will appeal to a wide range of academic readership including educators researchers social students teacher trainers and teachers of all subjects and of all levels who wish to develop personally and professionally it will also be useful to all those who interact one way or another with both students and teachers in a multicultural context

an introduction to multicultural education provides a balance between the principles and practice of multicultural education in the k 12 classroom presenting multicultural education as a learner centered pedagogy domnwachukwu s book projects foundational principles and practices that make multicultural education relevant and appealing while eliminating ideas and practices that produce negative reactions and outcomes an introduction to multicultural education utilizes historical data to make the case for equity pedagogy going further than other books on this topic to provide practical steps and approaches to implementing multicultural education the person and cultural identity of the teacher is addressed in depth the person and nature of the learner and the learning process are addressed as foundational ideas behind equity pedagogy such multicultural education topics as gender equity universal access religious pluralism and bilingualism or multilingualism are all addressed with much detail this book provides pre service and in service teachers with the theoretical and practical support they need to provide equal and meaningful education to all the students in their classrooms
