In this revision of her best-selling book, author Sonia Nieto explores the meaning, necessity, and benefits of multicultural education for students of all backgrounds. The book looks at how personal, social, political, cultural, and educational factors affect the success or failure of students in today's classroom, expanding upon the popular case study approach. The fifth edition examines the lives of 19 real students who are affected by multicultural education or a lack of it. Social justice is firmly embedded in this view of multicultural education, and teachers are encouraged to work for social change in their classrooms, schools, and communities. In service and preservice teachers, principals, school administrators, and anyone interested in multicultural education.

*Differentiated Literacy Instruction for English Language Learners* assists teachers in developing a multifaceted approach to successful instruction, uniquely clarifying the critical role of culture and language in working with English language learners. Carefully crafted chapters guide literacy educators from initial assessment to the development of successful differentiated instruction, drawing on their vast experience with teaching English learners. Alice Quijano and Sharon Ulanoff offer teachers a myriad of practical strategies, lots of authentic teacher examples, and detailed lesson plans. They identify how to build English skills with English learners at every developmental level. In addition, the authors also feature a chapter detailing the steps necessary to reach English learners who have been identified for special education, a topic infrequently covered in other texts. The explicit lesson plans, field studies, and classroom vignettes crystallize the theories presented in this text. Teachers will find that *Differentiated Literacy Instruction for English Language Learners* promotes a personalized approach to English learning that will prove to be a vital tool for anyone hoping to maximize their students' potential. What reviewers say: The authors know their field, and they recognize and confirm teachers' abilities and expertise to enhance English language learners' content literacy development. Janet Richards, University of South Florida: "I think the authors do a wonderful job connecting theory to practice. The writers do an excellent job of writing a clear and interesting text." Debra Price, Sam Houston State University: "There is much value in the pedagogical features of this book. I have never seen such an extensive explanation of language acquisition and the different ways teachers can assess English learners. I think that it will be the best book on the market in this regard." Deanna Gilmore, Washington State University.
