this book examines national reports on contract law in each of the BRICS countries Brazil Russia India China and South Africa in order to provide a comparative analysis it then establishes common principles where possible as well as a set of general soft law principles governing international commercial contracts in these countries the importance of commercial transactions in the BRICS countries is rapidly growing yet differences in contract law among these countries can lead to misunderstandings and disputes the rapid development of the BRICS instruments and the legal implications of their use suggests the need to address common legal issues that could harm the continued development of the BRICS economies contract law represents one of the core areas in which this process can take place addressing the salient legal issues within the BRICS discourse requires a comprehensive comparative approach that explores the different solutions provided by each member country in order to identify similarities and convergences this process may ultimately help to reduce the legal obstacles to and indirect costs of cross border transactions by offering a

transparent and predictable legal environment for any future attempt at adopting common legal instruments

celebrated and respected this is the stand alone guide to contract law written by ewan mckendrick it uses a unique balance of commentary cases and materials explaining applying and contextualizing it shows students the law at work and helps them to gain a thorough understanding

this book gives an introduction to the english law of contract the third edition has been fully updated to cover recent developments in case law and recent statutes such as the consumer rights act 2015 however this new edition retains the primary focus of the earlier editions it is designed to introduce the lawyer trained in a civil law jurisdiction to the method of reasoning in the common law and in particular to the english law of contract it is written for the lawyer whether student or practitioner from another jurisdiction who already has an understanding of a different law of contract but who wishes to discover the way in which an english lawyer views a contract however it is also useful for the english law student setting english contract law generally in the context of other european and international approaches the book forms an introductory text not only demonstrating how english contract law works but also giving a glimpse of different ways of thinking about some of the fundamental rules of contract law from a civil law perspective after a general introduction to the common law system how a common lawyer reasons and finds the law the book explains the principles of the law of contract in english law covering all the aspects of a contract from its formation to the remedies available for breach whilst directing attention in particular to those areas where the approach of english law is in marked contrast to that taken in many civil law systems

comparative contract law is the fourth edition of a widely acclaimed and well established textbook which uses extensive case studies and integrates extracts from legislation and court practice enabling students to experience comparative law in action it continues to promote a learning by doing approach offering a unique and seminal guide to european and international contract law

the survey compares the rules on contractual non performance and remedies under the unidroit principles of international commercial contracts the principles of european contract law and indian statutory contract law including the indian contract act 1872 given that most indian statutes were derived from english law and may therefore be viewed as codified common law this comparison may contribute to the question of whether especially in view of contract law harmonisation in the eu

the civil law and common law traditions could be merged in a common code moreover it may help identify legal differences that are relevant to doing business between india and europe the general conclusion of the survey is that the principles and indian statutory contract law share a close proximity especially because many of their provisions on non performance and remedies appear to be derived from the same concepts and also provide for very similar consequences

this comprehensive analysis of domestic and international sales law covering over sixty jurisdictions is the most detailed work in the field it includes all aspects of a sale of goods transaction and provides answers to complex issues in practice

this book provides a counter balance to the traditional focus on judicial decisions by exploring the contribution of legal scholars to the development of private law in the book the work of a selection of leading scholars of contract law from across the common law world ranging from sir jeffrey gilbert 1674 1726 to professor brian coote 1929 2019 is addressed by legal historians and current scholars in the field the focus is on the nature of the work produced by the scholars in question important influences on their work and the impact which that work in turn had on thinking about contract law the book also includes an introductory chapter and an afterword by professor william twining that explore connections between the scholars and recurrent themes the process of subjecting contract law scholarship to sustained analysis provides new insights into the intellectual development of contract law and reveals the central role played by scholars in that process and by focusing attention on the work of influential contract scholars the book serves to emphasise the importance of legal scholarship to the development of the common law more generally

promoting a learning by doing approach to comparative contract law and comparative methodology this updated second edition of comparative contract law updates the first true student reader on the subject bringing together extracts from legislation and court practice this textbook lets students experience comparative law in action and presents a unique guide to european and international contract law

this textbook provides an accessible account of the intricacies of contract law and the problems that can arise during the life of a contract these problems along with their solutions are discussed in detail using everyday language that stimulates thought and reflection

the book provides rule by rule commentaries on european contract law general contract law consumer contract law the law of sale and related services dealing with its modern manifestations as well as its historical and comparative foundations after the collapse of the european commission's plans to codify european contract law it is timely to reflect on what has been achieved over the past three to four decades and for an assessment of the current situation in particular the production of a bewildering number of reference texts has contributed to a complex picture of european contract laws rather than a european contract law the present book adopts a broad perspective and an integrative approach all relevant reference texts from the cisg to the draft common european sales law are critically examined and compared with each other as far as the *acquis commun* ie the traditional private law as laid down in the national codifications is concerned the principles of european contract law have been chosen as a point of departure the rules contained in that document have however been complemented with some chapters sections and individual provisions drawn from other sources primarily in order to account for the quickly growing *acquis communautaire* in the field of consumer contract law in addition the book ties the discussion concerning the reference texts back to the pertinent historical and comparative background and it thus investigates whether and to what extent these texts can be taken to be genuinely european in nature ie to constitute a manifestation of a common core of european contract law where this is not the case the question is asked whether and for what reasons they should be seen as points of departure for the further development of european contract law

the core text series takes the reader straight to the heart of the subject providing an invaluable and reliable guide for students of law at all levels written by leading academics and renowned for their clarity these concise texts explain the intellectual challenges of each area of the law the law of contract provides you with a clear straightforward and comprehensive account of the core principles of contract law to

give you a sound understanding of the subject written by janet o sullivan director of studies at selwyn college cambridge and jonathan hilliard barrister at wilberforce chambers this text covers all the key topics on llb and gdl courses and introduces you to current debates in the field the authors break down complex problems into manageable steps and self test questions are provided at the end of each chapter to help you reinforce your learning and aid revision you can find answer guidance to these questions as well as additional support for your studies including author podcasts discussing key cases additional chapters and web links on the accompanying online resource centre

this book discusses how unidroit principles are viewed and interpreted in different countries presenting various perspectives and practical lessons learned it also offers a detailed analysis of the use of the unidroit principles to interpret and supplement domestic contract law written by experts in the field it provides insights into how the principles are being used and applied in their respective countries the findings are also summarized in a general report that was presented at the 20th iacl general congress in fukuoka japan

critical yet accessible this book provides an overview of the current debates about the europeanization of contract law charting the extent to which english contract law has been subject to this activity it is the ideal volume for readers unfamiliar with the subject who wish to understand the main issues quickly it examines a range of key developments including a string of directives adopted by the european union that touch on various aspects of consumer law recent plans for a european common frame of reference on european contract law bringing together advanced legal scholarship critically examining key developments in the field and considering the arguments for and against greater convergence in the area of contract law this is an excellent read for postgraduate students studying contract and or european law
